The Board of Education is the policy-making body of the high school district. Five school district members are elected by the public to serve four-year terms. The Board possesses powers assigned by constitutional and statutory laws and has discretionary powers. Most often the Board makes the final financial decisions that decide the scope of the education program and services of the district. The Board follows established procedures and policies in seeing that schools are run properly and in making sure the public's desire for a good school system is reached and maintained.

The Board of Education holds its regular meetings each month on the third Tuesday at 7:00 p.m. The meetings in open (public) session are held at the Escondido Union High School District Service Center, 302 North Midway Drive, Escondido, CA 92027. Special meetings are scheduled on an "as-needed" basis.

Communication with the Board may be in writing or by personal appearance at a regular meeting of the Board. Written communications should be addressed to the Board of Education and delivered to the Superintendent at the District Office no later than ten days preceding the regular Board meeting. An individual may address the Board on any item on the agenda at a public meeting of the Board at the time the item is to be considered. An individual may request to appear before the Board and to be placed on the agenda by notifying the Superintendent in writing at least ten days preceding a regular Board meeting. An opportunity is also provided at the end of each regular meeting for individuals to address the Board on any matter pertaining to the District or its schools. However, the Board is not allowed by law to take any action on such a matter at that meeting.

Board Policies, Board Documents, and Board Meeting Minutes can be accessed on the EUHSD website at https://www.euhsd.org/board-of-education/

District and School-to-Home Mass Notification Disclosure

Dear Parent/Guardian,

The Escondido Union High School District seeks to keep parents informed of district and school information in a timely and efficient manner. Current laws permit districts and schools to use automatic dialing services to notify parents/guardians of emergency situations that impact the health and safety of students and faculty. Emergency notifications may be sent using an automatic dialing service and may be delivered via email, voice recording or text message to your cellular/wireless mobile device (if a wireless number is provided at the time of student registration), as well as your home landline telephone number. Emergency notifications include messages relating to unexcused student absences, weather closures, incidents of threats and/or imminent danger to the school due to fire, dangerous persons or health risks.

The district and its schools also use automatic dialing services to send mass notifications to parents/guardians regarding non-emergency matters closely related to the educational mission of the district. Examples of non-emergency notifications may include messages regarding school-sponsored events, college applications, back-to-school night, testing schedules, bell schedules, course selection night, school registration, etc.

The Escondido Union High School District will never send you commercial, marketing or political messages. When using automatic dialing services, our goal is to keep parents/guardians informed of district and school-related information that serves the educational interest and well-being of students.

If you have any questions regarding the district’s use of automatic dialing services, please contact the attendance office at your student’s school below:

(Amended by Stats. 1981, Ch. 219, Sec. 2.)

FEDERAL: BP 0410
It is the policy of the Escondido Union High School District not to discriminate on the basis of race, color, age, sex, national origin, or handicapping conditions in its educational and vocational programs, activities or employment policies as required by Title VI of the Civil Rights Act of 1964, Title IC of the 1976 Education Amendments, and Section 504 of the Rehabilitation Act of 1973. Inquiries regarding compliance with the aforementioned legislation may be directed to: Superintendent, Escondido Union High School District, 302 North Midway Drive, Escondido, CA 92027-2741, phone 760-291-3201, or to the Director of the Office of Civil Rights, Department of Health, Education and Welfare, Washington, D.C.

BP 1312.3: Community Relations: Uniform Complaint Procedures
The Governing Board recognizes that the district has primary responsibility for ensuring that it complies with state and federal laws and regulations governing educational programs. The district shall investigate and seek to resolve complaints at the local level. The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on ethnicity, religion, age, gender, sexual orientation, color, or physical or mental disability in any program or activity that receives or benefits from state financial assistance. Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education, consolidated categorical aid programs, migrant education, vocational education, childcare and development programs, child nutrition programs and special education programs. (cf. 0410 - Nondiscrimination in District Programs and Activities) (cf. 0420.1 - School-Based Coordinated Programs) (cf.0420.2 - School Improvement Program) (cf. 0430 - Comprehensive Local Plan for Special Education) (cf. 3553 - Free and Reduced Lunch Program) (cf. 6171 - Chapter I Programs) (cf. 6174 - Education for English Language Learners) (cf. 6175 - Migrant Education Program) (cf. 6178 - Vocational Education) (cf. 6179 - Child Care and Development Programs)

The Board prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination, or for participation in complaint procedures. Such participation shall not in any way affect the status, grades, or work assignments of the complainant. The Board encourages the early, informal resolution of complaints at the site level whenever possible. Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures.
The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation process before beginning a formal compliance investigation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations.

The Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. (cf. 4119.23 - Unauthorized Release of Confidential/Privileged Information) (cf. 5125 - Student Records) (cf. 9011 - Disclosure of Confidential/Privileged Information)

The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee. (cf. 9124 - Attorney)

The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. Whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation process before beginning a formal compliance investigation. EUHSD COVID-19 INFORMATION SHEET

COVID-19, also known as the novel coronavirus, is a respiratory illness that is spread mainly from person to person, or via surfaces or objects. Person to person spread from or to children and adults is thought to occur mainly via respiratory droplets produced when an infected person coughs, sneezes, or talks. Reported symptoms of the illness include fever, cough, shortness of breath, chills, muscle pain, new loss of taste or smell, vomiting or diarrhea, and or sore throat. It is important to note that people who are infected but do not have symptoms play a role in the spread of COVID-19.

Recognizing that those infected with COVID-19 may have mild to severe symptoms, it is important for the Escondido Union high School District community to take precautions to mitigate the spread of COVID-19. The best community defense against the virus is washing hands frequently, avoiding touching the face, and avoiding being around sick people and physical distancing.

Parents and guardians should adhere to the following recommendations to protect the health of their student and others in the community:

Keep your student home if they are sick
If your student has a fever, cough, shortness of breath, chills, muscle pain, headache, sore throat, or loss of taste or smell, they should self-isolate and seek medical advice to determine if they should be tested for COVID-19. Your student should stay home for at least 10 days from when the symptoms first appeared and at least 3 days after the fever and respiratory symptoms have improved.
Additionally, a student who was in close contact with someone diagnosed with or suspected to have COVID-19 is to home quarantine for 14 days from the date of the exposure. Close contact is defined as being within 6 feet for more than 15 minutes with someone who has tested positive of COVID-19 or is suspected to have COVID-19.

Requirement for students to wear face covering to school
The use of a cloth face covering by students in the school setting during the COVID-19 pandemic can help reduce the transmission of the virus. Their primary role is to reduce the release of infectious particles in the air when someone speaks, coughs, or sneezes, including those who have COVID-19 but feel well. The face covering should be a material that covers the nose and mouth, secured to the head with ties or straps, or wrapped about the lower face. The covering may be factory-made, sewn by hand or can be improvised from household items. Face coverings not required to be worn by children under two 2 years of age. Face coverings are strongly encouraged, but not required to be worn by students from 2 years of age through the second grade. Face coverings are required to be worn by students in grades 3 through
12 on campus, particularly in indoor environments, on school buses, and areas where physical distancing alone is not sufficient to prevent disease transmission.

Parents and guardians are encouraged to send their students to school with a cloth face covering to wear.

The face covering should be washed frequently, ideally after each use, or at least daily. Face coverings that no longer cover the nose or mouth, have stretched out or have damaged straps, or have holes in the fabric should be discarded. Students who do not have face coverings may be provided with them at no cost.

**Establish plan if your student must be picked up from school**

In the event your student begins to display symptoms of COVID-19 while at school, they may need to be placed in an adult-supervised isolation room until they are picked up by an authorized adult. Please ensure that the emergency contacts for your student are updated with the appropriate individuals permitted to pick up your student if they are sick.

**Daily Symptom Check**

Parents and guardians should ask themselves the following questions and perform a check of symptoms (based on current [CDC symptoms]) daily before bringing their student to school:

- Does your student have any of the following symptoms?
  - Cough
  - Shortness of breath or difficulty breathing
  - A fever of 100 or higher (per local public health guidance) or a sense of having a fever
  - Sore throat
  - Chills
  - New loss of taste or smell
  - Muscle or body aches
  - Nausea/vomiting/diarrhea
  - Congestion/running nose not related to seasonal allergies
  - Unusual fatigue

- Does anyone in your household have any of the above symptoms?

- Has your student been in close contact with anyone suspected of having or diagnosed with a confirmed case of COVID-19?

- Has your student had any medication to reduce a fever before coming to school?

If the answers to any of the above questions is “yes,” they cannot attend in-person classes and the school should be notified. Please note that a representative from your student’s school will likely perform a similar symptom check before allowing your student to attend class.

If you have questions regarding COVID-19, its symptoms, or how to treat the illness, please contact our district nurse at cescobedo@euhsd.org.
EMERGENCY PROCEDURES August 2020

Escondido High School, as a part of the Escondido Union High School District, has developed an emergency plan for a number of situations that may occur. Each staff member is issued a disaster plan book and is given training in its implementation. Each year the entire school practices the Evacuation procedure many times in conjunction with local and regional emergency response agencies. Fire drills are also practiced throughout the year. In case of disaster, please listen to the radio or TV for instructions.

Keep the following in mind:
Your students may be safer at school than at home in a serious emergency because school buildings are earthquake safe, there is fire-fighting equipment on campus, and the school has plans and specific procedures for dealing with all types of serious emergencies. The safety and welfare of the students is our primary concern in the event of an emergency.

In the event of an emergency, your student should be prepared to follow the directions of teachers or staff at the school site, or the bus driver if he or she is on the way to or from school. If your student is traveling by other means when an emergency occurs, they should proceed to school, as this will be the safest place for them to be. Also, this way you will know where they are if communication ns or travel is disrupted by an emergency.

Your cooperation is requested in the following areas:
1. Do not telephone the school. Telephone lines and cell phone capacity will be needed for emergency responders.
2. Do not drive to school. Streets need to be as open as possible for emergency vehicles.
3. Do turn your radio to KKLQ 600 or KCBQ 1170 on the AM dial. Information and directions will be given over the radio.
4. The family reunion area is located at the Escondido High School Stadium.

In conjunction with the Escondido Union High School District Disaster Preparedness Plan, we urge every family to make home emergency plans and preparations. If you have questions about our emergency preparedness program, please contact the Assistant Principal’s Office at 760-291-4020 or 4021.

Sincerely, Administration

**Student Schedules**

In order to maintain balanced class sizes, students are assigned to teachers and class periods randomly by a computer system designed to accommodate the needs of all students. Generally, students may not make class changes. Exceptions may be made for the student who:

- Has failed to meet prerequisites
- Has taken the course in question over the summer and no longer needs the class
- Needs to drop an elective in order to take a required class that was failed
- Has been placed in the incorrect level of a class (e.g. honors instead of college prep)

Other situations in which a student’s schedule might be changed include:

- Over enrollment in a class whose numbers must be reduced
- Enrollment in a class which lacks sufficient enrollment and has been cancelled

Schedule changes for any other reasons must be approved by an administrator. Any changes made after the first four weeks may result in a Withdraw/Fail (WF), which will be posted on the student’s transcript.

**Reduced Schedule**

Students with fewer than 5 classes or more than 6 classes must have the approval of:

- Parent or guardian
- Principal or site administrator

**Class Repeats**

Classes can only be taken once for credit. See your counselor for exceptions.

**Counseling Appointments**

Students may make an appointment to see their counselor before school, beginning at 7:15 a.m., during break, lunch, or after school in the Counseling Office until 2:45 p.m.
“MAP Your Future, Reach Your Destination”

Program Ensuring College Admission to California State University, San Marcos
Are you willing to:

- Attend high school in the Escondido Union High School District for grades 9-12?
- Aim for a 3.0 or higher GPA?
- Do well on the ELM & EPT Exams? Complete all A-G coursework?
- Maintain 98% attendance over 4 years?
- Take the SAT Reasoning or ACT with writing exams?
- Be involved with school/community activities?

If you are, then you will be eligible for guaranteed admission to California State University, San Marcos and tuition assistance.

MAP is a simple acronym to help keep school success as a goal for all students and emphasizes these important messages:
- Maintain an Academic Focus
- Attend School Daily
- Participate in School or Community Activities

The Escondido Union High School District, along with the Escondido Union School District, San Pasqual Union School District and California State University, San Marcos (CSUSM) has created a community-wide partnership for academic reform and college admission. Joining these efforts are the Escondido Chamber of Commerce and the City of Escondido. With focus and commitment to the three critical areas of MAP, students are guaranteed admission to CSUSM and may benefit from tuition assistance.

Beginning with the class of 2011, students who complete all four years of high school on an Escondido Union High School District campus and achieve the following benchmarks will be eligible for guaranteed college admission to CSUSM and eligible to receive tuition assistance:

M- Maintain an academic focus (Complete A through G, UC/CSU admission criteria with a “C” or higher and an overall GPA of 3.0 or higher).

A- Attend school daily (maintain an average of 98% attendance over 4 years within the Escondido Union High School District).

P- Participate in school and/or community activities (minimum total of 100 hours).

Parents are encouraged to support the student’s efforts and must complete the Free Application for Federal Student Aid (FAFSA) as required in order for the student to meet eligibility standards. For more information, see your student’s school counselor or call EUHSD at 760-291-3200. As a community, we have created a road map to student success. We look forward to working together to inspire and guide the youth of Escondido to MAP their future and reach their destination.

The courses provide meaningful ways to reinforce academic skills. The District has developed a sequential program that affords students the opportunity to develop skills and knowledge in a variety of career clusters:

- Agriculture

For further information on courses available, please refer to the Course Catalog or contact the Counseling Office at your school.

College & Career Center
The Career Center is a campus resource that all students are encouraged to stop by and use throughout their high school years. Career exploration is recommended as preparation for education and work beyond high school. They are encouraged to learn about many occupations so they can make informed decisions about course choices while at EHS.

Location and Hours
The Center is located in The Learning Center. The College & Career Technician’s hours are Monday through Friday, 7:00 AM – 3:30 PM and will be available to students during break, lunch and after school. (Hours and availability may vary and will be posted on the door.) Parents may call 291-4056.

Work Permits may be obtained and dropped off during break, lunch or after school. Students as young as 14 years of age may obtain a work permit. California law requires a Work Permit for employed students under 18 years old. Students must maintain a 2.0 GPA or may have their permit revoked.

Computers are available to type resumes, search the Internet, or access career programs. These programs allow students to evaluate their own interests and abilities and explore the extensive up-to-date information on
hundreds of occupations, information about public and private colleges, including programs of study, admission requirements, scholarships, financial aid costs and more.

Career Seminars
Special speakers visit EHS throughout the year to discuss a variety of careers. Students should watch for fliers advertising the seminars and pay attention to the daily Student Bulletin announcements. Not only do the speakers share their experience and advice with students, but many times they can become part of an interested student’s network and the key to career exploration.

Sex Equity in Career Planning
EC 221.5 (d) No school counselor, teacher, instructor, administrator, or aide shall, on the basis of the sex of a pupil, offer vocational or school program guidance to pupils of one sex that is different from that offered to pupils of the opposite sex or, in counseling pupils, differentiate career, vocational, or higher education opportunities on the basis of the sex of the pupil counseled. Any school personnel acting in a career counseling or course selection capacity to any pupil shall affirmatively explore with the pupil the possibility of careers, or courses leading to careers, that are non-traditional for that pupil's sex. The parents or legal guardian of the pupil shall be notified in a general manner at least once in the manner prescribed by Section 48980, in advance of career counseling and course selection commencing with course selection for grade 7 so that they may participate in the counseling sessions and decisions.

Job Postings
Information about opportunities for part-time jobs, summer jobs, volunteer work, community service and internships are posted in the Career Center throughout the school year. If you know of an employer looking for part-time help, keep our students in mind and encourage employers to contact us at 291-4056.

Job Shadows
Together the Career Center and the Escondido Education COMPACT work to place eager students ready to learn about the workplace in “shadows.” Job shadows provide today’s employers with a unique and informative way to directly interact with tomorrow’s workforce. This program has been specifically designed to help students get ready by making that critical link between the classroom and the workplace. They see first-hand the wide range of knowledge and skills required while on the job.

Miscellaneous
Many other sources of information are available, including college catalogs that may be checked out for a two-week period. Other information includes opportunities in the military services, Job Corps, Ameri-corps, Career and Technical Education Programs, vocational and technical training. Many representatives, including the military, visit our campus and are available to answer questions.
The school year is divided into two semesters. Each semester is divided into three six-week grading periods. Parents will receive progress reports at the 6-week and 12-week point during each semester. These reports will reflect subject and citizenship grades, as well as absences and the tardiness or truancy of pupils. A final Report Card will be issued at the end of the 18-week semester. These are the grades posted on a student’s permanent transcript. Typically, Report Cards are mailed home one (1) week after the close of the last six-week reporting period.

Progress Reports:
Student academic progress reports are issued at the end of each six-week grading period. The grade issued indicates the cumulative grade to date for both academic progress and citizenship. If the pupil’s grade has dropped to an “F,” or if the pupil is in danger of failing a course during the last six weeks grading period, it is the teacher’s responsibility to notify the pupil, his/her parents/guardians as soon as possible. A failing course grade for the semester may NOT be issued without a timely prior parent notification.

Weekly Progress Reports:
These reports may be used at any time when requested by the teacher, administrator, counselor or parents. These reports indicate the student’s academic and citizenship grades during a specific period of time. We encourage parents to request such reports (weekly) when the progress of their child is not as good as it should be. These Weekly Progress Reports are kept in the Counseling Office. The student is responsible for obtaining the report form and taking it to his/her teachers on Thursday and Friday. The Weekly Progress Report is a good device to inform parents when the student is failing to do homework, etc., and the parent is not aware of such until an official school notice is sent home.

Reporting Pupil Progress:
The following symbols will be used to record pupil’s academic grades
I: Incomplete, without final mark to be replaced by a final mark A-F if made up within 2 weeks. (Counts as an “F” toward athletic eligibility.)
N/M No Mark0 grade points (Doesn’t count toward athletic eligibility.)
P/F Pass/Fail0 grade points
A Superior 4 grade points
B Better than Average 3 grade points
C Average 2 grade points
D Below Average 1 grade point
F Failure 0 grade points

Citizenship grades will be determined on the pupil’s responsibility, effort, class conduct, and courtesy. The following symbols will be used to record pupil’s citizenship grades:
E Excellent
S Satisfactory
N Needs Improvement
U Unsatisfactory

NOTE: Students involved in co-curricular activities must be working toward graduation to participate.
Grade Marking:
The following percentages will normally be followed for marking grade cards.

A  90% to 100%
B  80% to 89%
C  70% to 79%
D  60% to 69%
F  Below 60%

The library is a great place to read, do homework, work on projects, and get tutoring. Please don’t hesitate to ask one of our staff members for assistance.

**ID CARDS**

- Students should show their current ID card when checking out items from the Library. Lost ID cards and ID cards for new students are issued in the library. The replacement cost for a lost ID card is $5.00 and is to be paid to the cashier.

**CHECKING OUT INSTRUCTIONAL MATERIALS**

- Students may check out up to three (3) library books at a time. Checkout period is 3 weeks. At the end of the three weeks, students may renew the book for an additional 3 weeks.
- Students are responsible for examining all items issued to them, checking for any damage that is NOT stamped “Damage Noted.” If the student finds damage that has not been stamped, they have two weeks, from date of issue, to report it to library staff. If it is not reported within the two-week grace period, we will assume that the damage was done while the item was issued to the student and a fine will be assessed.
- Students are responsible for the proper care of all items checked out to them including items left in classrooms, on campus or other various places, stolen, damaged or lost.

**RETURNING INSTRUCTIONAL MATERIALS**

- Students will be held responsible for erasing any pencil markings in the book and removing all post-it notes prior to returning the book.

ESCONDIDO UNION HIGH SCHOOL DISTRICT 2020-2021 TECHNOLOGY ETHICAL USE POLICY
(Computing Device / Network / On-line Services)

ESCONDIDO UNION HIGH SCHOOL DISTRICT 2020-2021 TECHNOLOGY ETHICAL USE POLICY
(Computing Device / Network / On-line Services)

Every student and his/her parent/guardian must review the Escondido Union High School District TECHNOLOGY ETHICAL USE POLICY. Parents/guardians must then provide authorization before their student(s) can use school technology computer systems on campus. A parent’s authorization indicates that the student understands and agrees to abide by specified user obligations and responsibilities. Please read this document carefully.

TECHNOLOGY ETHICAL USE POLICY

1. **Personal Responsibility:** The student in whose name an account is issued is responsible for its proper use at all times. Users shall maintain privacy of account names/numbers, passwords, and personal information. They shall use the system only under the assigned account.

2. **Digital Literacies:** The EUHS District recognizes the importance of preparing students for college and careers by providing instruction in digital literacies (keyboarding, Internet search, ethical use/Internet safety, collaboration, and productivity tools). The district creates and manages third-party accounts for students so they can complete a specific class-oriented task/teaching strategy or to complete a class project. Examples include: Office 365, Google Apps for Education and Canvas (an educational collaboration site). Staff and students may also use social media sites such as Facebook and Twitter in educational ways in accordance to the District’s School Board social media guidelines (Board Policy 1114)

3. **Acceptable Use:** The use of the account must be in support of education and research and consistent with the educational objectives of the District.
   - Users shall not publish, display, transmit, or receive any material which they know or have reason to know is defamatory, inaccurate, abusive, obscene, profane, sexually oriented, potentially offensive to others, or disrupts the educational process.
   - Neither the school's network nor the broader Internet, whether accessed on campus or off campus, either during or after school hours, may be used for the purpose of harassment often called cyberbullying. All forms of cyberbullying are unacceptable.
   - Use of other organizations’ networks or computing resources must comply with the rules appropriate to that network.
   - Transmission, receiving, or downloading of any material in violation of any U.S. or state regulations is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret.
   - Use for product advertisement, political lobbying, or partisan political activities, except as an approved part of a course to teach students about the American political system in accordance with District-approved curriculum, is also prohibited.

4. **Privileges:** The use of the information system is a privilege, not a right, and inappropriate use will result in a termination of this privilege. Staff will determine whether a use is inappropriate under this Ethical Use Policy and
Contract and the decision is final. The administration has the authority to deny, revoke, or suspend specific user accounts for violation of this Ethical Use Policy and Contract. An administrator may close an account at any time and for any duration as deemed necessary for violation of this Ethical Use Policy and Contract.

5. **Network Etiquette**: You are expected to abide by accepted rules of network etiquette. These rules include (but are not limited to) the following:
   - Be polite. Never send or encourage others to send abusive messages.
   - Use appropriate language. Never swear; never use vulgarities or any other inappropriate language.
   - Do not reveal your or any other person’s personal or private information such as: home address, phone number, student ID, or similar information.
   - Electronic mail is not guaranteed to be private. Messages relating to or in support of illegal activities must be reported to school authorities, or law enforcement agencies.
   - All activities may be monitored. The network is not private; there is no confidentiality, including use of your own device on the school’s network.
   - Do not use the network in any way that would disrupt the use of the network by others.

6. **Security**: Security on any computer system is a high priority, especially when the system involves many users. If you identify a security problem notify, immediately, the teacher or adult in charge. Never demonstrate the problem to other users. Never use someone else’s account and never give out your password to anyone. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the network system.

7. **Privacy**: The EUHSD takes student’s privacy very seriously. The EUHSD makes every effort to keep personally identifiable information about students private and secure.

8. **Services**: The District will not be responsible for any damages consequential, incidental, or otherwise that you may suffer arising from use of the information system, including damages arising as a result of the negligent or intentional action of the District. This includes loss of data for any reason. Use of any information obtained via the network is at your own risk. Some systems may contain inaccurate, defamatory, abusive, obscene, profane, sexually oriented, or illegal material, and the District does not condone or permit the use of such material in the school environment. The District specifically denies any responsibility for the accuracy or quality of information obtained through the network and on-line services.

9. **Vandalism**: Users, or parents of users who are minors, will be held responsible for damage to hardware and/or software, pursuant to State law. Vandalism includes, but is not limited to, damage to or theft of system hardware or software; the altering of system software; the placing of unlawful information, computer viruses or harmful programs on or through the computer system in either public or private files or messages. Users will not use their account or access privileges to obtain, view, download, or otherwise gain access to such materials.

11. **Account/Password**: The District network system is intended for the exclusive use of its registered users, who are responsible for the use of their account/password. Any problems that arise from the user’s account are the
responsibility of the account holder. Misuse of the account or use of the account by someone other than the registered holder will be grounds for loss of privilege.

12. **Updating:** The District may occasionally require new registration and account information from you to continue the service. You must notify the teacher or adult in charge of any changes in your account information. Please be aware that the above rules and regulations may change as deemed necessary. The account holder will be informed about subsequent changes.

All forms of harassment in cyberspace, often called cyberbullying, are unacceptable.

Cyberbullying includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another person by sending or posting inappropriate and hurtful email messages, instant messages, text messages, digital pictures or images, or Website postings (including blogs). Often the author (sender or poster) of the inappropriate material is disguised (logged on) as someone else.

Community members who feel that they have been the victims of such misuses of technology should not erase the offending material from the system. They should print a copy of the material and immediately report the incident to a school administrator.

All reports of cyberbullying will be investigated fully. Sanctions may include, but are not limited to, the loss of computer privileges, detentions, suspensions, expulsion from school, fines, imprisonment and further legal action.
Attendance

Attendance is an important factor in being successful in any school program. Parents are required to phone the school when a student is absent 760-291-4011 or 760-291-4010. Before a student returns to school, a note or a phone call from a parent must state the reason for the absence and the date of the absence.

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The teacher of any class from which a pupil is absent shall determine the tests and assignments to be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

Unexcused Absence
The following are reasons for unexcused absences: “personal days,” truancy, missing the bus, oversleeping, shopping, gainful employment, baby-sitting, and a trip or excursion without prior approval from the school.

All students returning from an absence without a note or phone call must report to the Attendance Office to get a readmit before going to class.

Any student who must leave early from school must obtain an off-campus pass from the Attendance Office prior to leaving. Only phone calls or parents requesting off-campus passes in person are accepted for off-campus passes. Passes are available for medical or dental appointments or family emergencies. They will not be issued for lunch. Failure to obtain an off-campus pass will result in the absence being considered truancy.
Absence for Religious Instruction: Pursuant to EC 48980 (a)

Such absence shall not be deemed an absence in computing average daily attendance, if all of the following conditions are complied with:

- The governing board of the district of attendance, in its discretion, shall first adopt a resolution permitting pupils to be absent from school for such exercises or instruction.
- The governing board shall adopt regulations governing the attendance of pupils at such exercises or instruction and the reporting thereof.
- Each pupil so excused shall attend school at least the minimum school day for his grade for elementary schools, and as provided by the relevant provisions of the rules and regulations of the State Board of Education for secondary schools.
- No pupil shall be excused from school for such purpose on more than four days per school month.

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The teacher of any class from which a pupil is absent shall determine the tests and assignments are reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

EC 48980(a) Except for those pupils receiving individual instruction provided, pursuant to Section 48206.5, a pupil with a temporary disability which makes attendance in the regular day classes or alternative education program in which the pupil is enrolled, impossible or inadvisable, shall receive individual instruction provided by the district in which the pupil is deemed to reside.

"Individual instruction" means instruction provided to an individual pupil in the pupil's home, in a hospital or other residential health facility, excluding state hospitals, or under other circumstances prescribed by regulations adopted for that purpose by the State Board of Education.

"Temporary disability" means a physical, mental, or emotional disability incurred while a pupil is enrolled in regular day classes or an alternative education program, and after which the pupil can reasonably be expected to return to regular day classes or the alternative education program without special intervention. A temporary disability shall not include a disability for which a pupil is identified as an individual with exceptional needs pursuant to Section 56026.

Each clock hour of teaching time devoted to individual instruction shall count as one day of attendance.

No pupil shall be credited with more than five days of attendance per calendar week, or more than the total number of calendar days that regular classes are maintained by the district in any fiscal year.

EC 48207 and EC48208 A pupil with a temporary disability who is in a hospital or other residential health facility, excluding a state hospital, which is located outside of the school district in which the pupil's parent or guardian resides shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. If a student has a temporary disability and is in a hospital or other residential health facility, excluding a state hospital, which is located outside the district in which the student's parent or legal guardian resides, it shall be the primary responsibility of the parent or guardian of a pupil with a temporary disability to notify the school district in which the pupil is deemed to reside pursuant to Section 48207.

Teachers will provide that the parent or guardian of a pupil who has been suspended by a teacher pursuant to Section 48910 for reasons specified in subdivision (i) or (k) of Section 48900, attend a portion of a school day in his or her child’s or ward’s classroom. The attendance of the parent or guardian shall be limited to the class from which the pupil was suspended. Parents or guardians who attend school for the purposes of this section shall meet with the school administrator or his or her designee after completing the classroom visitation and before leaving the school site. If a teacher imposes the procedure pursuant to subdivision (a), the principal shall send a written notice to the parent or guardian stating that attendance by the parent or guardian is pursuant to law. This section shall apply only to a parent or guardian who is actually living with the pupil.

**Field Trips or other School Sponsored Activities**

Teachers will be notified in advance of all school-sponsored activities to release participating students. If a teacher feels improper student performance warrants non-attendance, teachers may recommend that a student not attend.

ALL teachers must clear a student in order to attend a field trip. For regularly scheduled events (i.e. athletics and band), a roster is given to teachers in advance of the season, identifying participating students. Students are NOT allowed to carry any open beverage containers on field trips.

**Teacher Procedures for Managing Tardy or Truant from Class**

**Student expectations:**
- Students are expected be on time to every period ready to learn
- Students are expected to move to class when the bell rings.
- Students will not be permitted to leave class first or last 10 minutes of class.

**Teacher expectations:**
- Teachers are expected to have the door open or be standing at the door within 3 minutes before the bell rings for class.
- Teachers are expected to keep accurate attendance data in Synergy.
- Teachers are expected to follow the 10 and 10 rule for students.

- Teacher are expected to lower Citizenship Grades for excessive tardies.

**Administration, Custodial, and Security expectations**

**Intervention Plan**
- Once student receives 6 tardies total or 3 tardies for 1 class within a grading period they will be assigned one Lunch intervention.
- Lunch interventions will occur on every Tuesday and Thursday.
- One lunch intervention will remove 3 tardies.
- If student continues to be tardy then RESET will be assigned.
- All tardies will reset after every grading period.
**SARB Process (School Attendance Review Board)**

California Education Code 48260 states that a student who is absent without valid excuse for three days or tardy more than 30 minutes on each of at least three occasions is deemed “truant.” A student deemed habitually truant might be referred to the SARB for appropriate action. SARB begins with a series of letters that are sent home to the student’s parent when:

- A student accrues three days of truancy; or
- A student is tardy more than 30 minutes on each of at least three occasions.

Three letters are sent home. After the third occurrence, a SARB hearing is scheduled for parent and student at the Escondido Police station. An EHS school administrator will be present and will provide the SARB panel members with information regarding the student’s attendance history. The SARB panel will decide the disposition of the student’s case.

For further information, please contact the EHS Attendance Supervisor at (760) 291-4044

Students who fail to meet the Education Code 48260 requirements may be declared habitually truant from school. Parents who excuse absences from school for more than ten days in a school year may be warned in writing that no further excused absence will be accepted by the attendance office without an accompanying doctor’s note or verification of illness by the school nurse.

**Truancy: Per EC 48260.5**

When a pupil's initial classification as a truant is made, the school district shall notify the pupil's parent or guardian, by first-class mail or other reasonable means, of the following:

- That the pupil is truant.
- That the parent or guardian is obligated to compel the attendance of the pupil at school.
- That parents or guardians who fail to meet this obligation may be guilty of an infraction and subject to prosecution pursuant to Article 6 (commencing with Section 48290) of Chapter 2 of Part 27. That alternative education programs are available in the district.
- That the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the pupil's truancy.
- That the pupil may be subject to prosecution under Section 48264.
- That the pupil may be subject to suspension, restriction, or delay of the pupil's driving privilege pursuant to Section 13202.7 of the Vehicle Code.
- That it is recommended that the parent or guardian accompany the pupil to school and attend classes with the pupil for one day.

**Off-Campus Passes**

With the proliferation of cellular telephones, it has become virtually impossible to accurately track the authenticity of the phone calls coming to the attendance office for the purpose of clearing absences and or requesting off campus passes. Students use their cellular phones to request off campus passes for each other. It is also a concern regarding the school’s liability when students leave campus and are unsupervised during the school day. Our primary concern is for the safety and welfare of all students.

Any student who must leave early from school must obtain an off-campus pass from the attendance office prior to leaving. Only written notes from a parent or guardian are accepted for off-campus passes. Parents/guardians may appear at school to make their request. Off-campus passes are available for medical or dental appointments or family emergencies. No off-campus passes will be issued for off campus lunch. Failure to obtain an off-campus pass will result in the absence being considered a truancy and a Saturday School will be assigned.

**Leaving Campus Without Permission**

The Escondido Union High School District maintains a CLOSED CAMPUS at all times. Whenever a student needs to leave school, during school hours, he/she must first obtain an off-campus pass from the attendance office. All students leaving campus without prior permission will be subject to disciplinary consequences, which may include being searched for contraband. There is no excuse for being off campus without either administrative or parental permission.
The EHS Associated Student Body (ASB) plans many activities throughout each school year. Student participation and involvement is an exciting part of each of these events, which makes each student’s time spent at EHS a very memorable experience. The staff at EHS encourages all students to GET INVOLVED!! Listed below are events, which occur each year and an explanation of each. These are not the only events; ASB is always planning new and fun activities.

**Club Rush** - This is a lunch activity where all Cougar clubs create booths to encourage new members to join. The booths are decorated for competition with the other clubs. This is a fantastic display of diverse cultures and interests. All students are encouraged to begin their year by getting involved with one or more of our exciting and active clubs.

**Homecoming** - Homecoming is an exciting event in which all EHS alumni are welcomed back. The Homecoming dance occurs the following night. This dance is a semi-formal or formal event for students. Guests must be at least ninth graders and must not be 21 years of age or older and must show picture I.D. at the door. Guests must submit a guest pass to the Principal’s Office at least three days prior to the dance and any guest that does not attend an accredited high school must meet with the Principal or his/her designee. All interviews must take place at least three days prior to the event.

**Class Competitions** - Class competitions are held throughout each school year to promote school spirit among students. Representatives are selected from each class to compete in these fun-filled events during pep rallies and spirit week.

**Pep Assemblies** - Pep Assemblies are held throughout the school year to display school spirit. The cheerleaders and band members get the crowd involved with cheers and class yells. ASB usually performs skits, class competitions are held, and athletic team members are introduced. Pep rallies are also held during post season CIF competition.

**International Week** - EHS’ spectacular weeklong display of multi-cultural talent makes up this wonderful week. Ballet Folkloric, Latino keyboardist, African American Step Dancers, Native American Bird Singers and Dancers, a beautiful International Fashion Show, and finally . . . an international food fest where clubs host booths that portray the unique cultures of countries around the world. This is truly something for all Cougars to look forward to.

**Prom** - Prom is another formal dance but is for Senior and Junior students and their dates. Prince and Princesses are chosen and the dance is held off-campus. Men wear tuxedos and women wear formal dresses. This dance is sponsored by the Junior class each year and is held as the last dance of the year. A photographer takes pictures. Guests up to 21 years of age must be pre-approved by a school administrator no later than three days prior to the event. Guests must show picture I.D. at the door. Guests must be at least in ninth grade to participate.

**Grad Night** - Senior parents sponsor Grad night. Each year the Senior class gets together after graduation and enjoys an evening of fun. Each grad night has a theme and is an all-night celebration at an agreed upon location (Disneyland, Six Flags, or other theme park). This event is for graduating seniors only.
Student Government

House of Representatives (H.O.R.)
This is the largest body of selected and elected students to meet regularly with the elected ASB Student Council each month. Every 1st Wednesday of each month, the representatives from all 4th period classes will meet to discuss and learn about past and upcoming events. The duty of the representative is to report back to their class.

Elections
- The Associated Student Body shall elect, by plurality vote, a president, vice president, secretary and treasurer towards the end of the second semester. *

Escondido High School's Club Handbook

The EHS Student Senate was organized to increase the communication and productivity between ASB leadership and the clubs on campus. Through the Interclub Council, the ASB leadership class informs the club presidents of upcoming events, and in return, ASB helps to promote any of the clubs’ activities. Meetings are usually held at the beginning of every month to help both parties prepare for the events of that particular month. The chair for the council is to be the ASB President and he/she conducts the meeting with an agenda. The committee consists of the class presidents and the club presidents.

Usually at the first meeting of the year, the council makes decisions about Club Rush and the lunchtime meeting schedule. Each club is allowed to set up a booth to advertise its club to the student body. A meeting schedule is established to try to prevent clubs from meeting at the same time on the same day. This allows students to attend a maximum number of club meetings without conflict.

A club may be established as long as the general requirements are met. All of the clubs must file a copy of their constitution with ASB and complete an application for a club charter; submit a budget to the ASB treasurer; have approval from the administration and obtain a faculty advisor. Once all of these qualifications have been met, the club is considered active. Lack of attendance at Interclub Council meetings, lack of communication with ASB, or lack of an advisor will cause the club to be considered inactive.

Insurance for Athletics

The school district does not provide medical, dental and/or hospital services insurance for students who are injured while participating in school sponsored athletics. For this reason, the school district is making available student accident coverage. Present law provides that school boards shall require each member of an athletic team to have insurance, which provides an accidental death benefit of at least $1,500.00. In addition, $1,500.00 insurance protection for medical and hospital expenses resulting from accidental bodily injury while participating in, or practicing for inter-school athletic events, or while being transported to and from such athletic events is required. The Escondido Union High School District provides insurance to meet only the transportation requirement. In order to participate in interscholastic athletics, you will require proof of insurance.

Escondido High School Athletic Contract

Students involved in co-curricular/athletic programs are considered leaders, role models and represent Escondido High School (EHS) twenty-four hours a day. Students involved in co-curricular/athletic activities are held accountable for individual sports’ rules, District Policies, EHS Student Handbook rules and all CIF policies. Misrepresentation or non-compliance of these rules can result in suspension from the team or removal from
athletics at EHS for up to one year. Each coach holds students involved in co-curricular activities to a stricter standard by requiring the student to adhere to a written set of team rules, by activity.

The head coach sets guidelines for letters and awards in each individual sport. In the absence of any written guidelines, these basic guidelines will apply to earn a letter: adherence to school and team rules, regular attendance at practice, participation in half of the games, meets, events, periods, minutes, innings, quarters or point system.

Attendance in all classes is very important for academic success and healthy living. Students involved in co-curricular activities are required to attend two of three classes when there is block schedule, or four of six classes when on traditional schedule on the day of an event. Excessive absences from practice because of health reasons signal safety and liability concerns and will be monitored by the coach. This can result in limited participation or non-participation until a doctor’s note is obtained.

The sport in season takes precedence over all other extracurricular activities. All coaches and sponsors must communicate amongst each other when dealing with multiple sport athletes. The School Nurse only dispenses prescription or non-prescription drugs (even over-the-counter drugs). No student that is suspended from school can practice, participate in an event, or be on campus during suspension from school.

**Cougar Pride**

Students are required to honor school colors as they pertain to Escondido High School’s traditional letterman’s jacket -- orange bodice with black sleeves for the boys and black bodice with orange highlights (sleeves or hoods) for girls. Students will not be allowed to put Escondido H.S. trademark items (i.e., letters) on any other jacket and may not wear them on campus or at school activities. Students are not allowed to put anything on an EHS letterman’s jacket that does not represent Escondido High School in a positive way. Students, parents and coaches must follow and sign all CIF rules, District policies, and school rules concerning club participation, residence changes, residential eligibility, guardianship and foreign exchange policies, adhere to CIF Ethics in Sports Form, and Escondido Co-Curricular and Athletics Contract. All students must complete clearance procedures, physical, proof of insurance, parent permission to participate, and permission to transport, in case of emergency. All parents and participants must attend a pre-season meeting on sports information held by the head coach of each sport. Violation of these stipulations can result in being suspended from the team, being removed from a team or becoming ineligible for any sport or activity for one year.

The coaching staff at Escondido High School wishes to make it understood that participation in a club sport during the season of that same sport is both a school and CIF violation. Escondido High School coaches all agree that high school sports in season must take priority over all other outside activities to balance student’s ability to have academic success. Coaches will make team rules at their own discretion pertaining to dual sport participation and sport-specific situations.

**Cougarville – EHS Athletic Expectations**

We believe the guidelines for the three major areas covered below will best serve our student participants/families as a deterrent, while providing an opportunity for an early intervention process. All CIF, District and Student Handbook rules must be followed in hopes of establishing the educational and behavioral attitude and spirit contained in these guidelines and rules. When these situations occur, we want students to ask for voluntary help in these areas to allow us to recommend rehabilitative measures and counseling before an incident comes to our attention at school. If a student is interested in participating in our co-curricular activities, he or she must commit themselves to this contract 24 hours a day, seven days a week.

**Asbestos Information**

On October 22, 1986, the President signed into law the Asbestos Hazard Emergency Response Act, AHERA, to CFR 763, which required that we inform employees, building occupants, or their legal guardians, and outside vendors about the results of our compliance with AHERA. This includes building inspections, re-inspections, response actions, and post-response action activities, including periodic surveillance and re-inspection activities that are planned or are in progress. During the course of the inspection it was found that asbestos-containing building materials were used in some school buildings in the form of Surfacing, and Miscellaneous Material. The specific type of material and the location are further identified in the Inspection Report. This report is on file in the Principal's office. For further information contact Business Support Services at 291-3238, or you may go to the District Service Center at 302 N. Midway Drive in Escondido to review or obtain a copy of the Inspection Report and Management Plan for the District. If you request a copy of the material, there will be a fee of $.10 per page for duplication. All requests for copies must be in writing.

Electronic signaling devices shall be turned off during class time and at any other time directed by a district employee. If disruption occurs, the employee may direct the student to turn off the device and/or confiscate the device, according to school policy. No student shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physical or surgeon to be essential for the student’s health and the use of which is limited to health-related purposes (Education Code 48901.5)

The School Administration is not responsible for the recovery of lost or stolen items. Bring them at your own risk.

Since November 1988, state law has required all public schools receiving state funding to prepare and distribute a School Accountability Report Card (SARC). A similar requirement is also contained in the federal No Child Left Behind Act (NCLB). The purpose of the report card is to provide parents and the community with important information about each public school. The SARC can be an effective way for a school to report on its progress in achieving goals. State law requires that the SARC contain all of the following:

**Demographic Data**
- School safety and climate for learning information
- Academic data
- School completion rates
- Class sizes
- Teacher and staff information
- Curriculum and instruction descriptions
- Postsecondary preparation information
- Fiscal and expenditure data

In addition, NCLB requires that SARC’s contain reports concerning the "annual yearly progress" of students in achieving state academic achievement standards; Title 1 Program Improvement; graduation rates at the secondary level; and, starting with the SARC’s to be published in 2006-07, the extent to which "highly qualified" teachers are teaching core academic subjects.

School report cards must be updated annually. Specifically, schools are required to notify all parents about the availability of the SARC and to provide parents with instructions about how the SARC can be obtained. Our School’s SARC is available on the Internet at the district website: [www.euhsd.org](http://www.euhsd.org). Paper copies are also available upon request through the Principal's Office. Parents can find a School Accountability Report Card on the California Department of Education’s Web site ([www.cde.ca.gov](http://www.cde.ca.gov)). If you have questions or need information, please call our school or the district office.

Procedures for Challenging the Content of Pupil Records
The parent/guardian of any student may submit to the Superintendent or designee a written request to correct or remove from his/her child's records any information concerning the child which he/she alleges to be: (Education Code 49070)
• Inaccurate.
• An unsubstantiated personal conclusion or inference.

Before any student grade is changed either by the Superintendent or at the decision of the Board, the teacher who gave the grade shall be given an opportunity to say why the grade was given. The teacher shall be included in all discussions related to the grade change. (Education Code 49070). The decision of the Board is final. The Superintendent and the Board have the option of appointing a hearing panel to assist in making the decision. The hearing panel may be used at the discretion of the Superintendent or the Board provided that the parent/guardian consents to releasing record information to panel members. (Education Code 49070, 49071). The right to challenge becomes the sole right of the student when the student becomes 18 or attends a post-secondary institution. (Education Code 49061).

**Classroom Corrective Actions for Disruptive Behavior and Attendance Infractions:**

The principal shall recommend suspension or expulsion of a pupil that he or she determines had committed any of the 48900 or 48915 code violations in any of the following locations:
- Anywhere on school property or campus grounds before, during, or after school,
- During transport to and from school, which includes off campus locations (e.g. park, street), or
- At a school activity off school grounds.
**SUSPENSION AND EXPULSION PROCEDURES**

For serious disciplinary infractions, students may be suspended from school. Such home suspension means the student must remain at home during school hours and may not attend any school-sponsored activities such as sporting events, dances, or plays, for a maximum of five days at any one time.

**Definition**

A suspension is a temporary removal from school or regular classroom by the principal for violation of school rules.

- A student may not be suspended for more than five (5) days at a time nor for more than twenty (20) days in a school year, unless the Superintendent or Superintendent Designee extends the suspension.
- A teacher may allow a suspended student to complete all work and tests missed during the suspension. When the makeup work is completed, it will be graded. If it is satisfactory, the student will receive full credit.

**Class Suspension**

A teacher may suspend any student from the teacher’s class for the day of the suspension and the day following. (Education Code 48910)

**School Day Suspension**

A superintendent, principal, or principal’s designee (i.e. Assistant Principal) may suspend a student from a school for not more than five (5) consecutive school days unless the suspension is extended pending expulsion. (Education Code 48911)

Suspension may be imposed upon a first offense if the superintendent, principal or designee determines that the student violated items (a) - (e) listed in the “Grounds for Suspension and Expulsion” or for any other offense listed under “Grounds for Suspension and Expulsion if the student’s presence causes a danger to persons or property or other means of correction are not feasible or have failed to bring about proper conduct.

A student may be suspended from school for not more than twenty (20) school days in any school year, unless for purposes of adjustment, a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 days in any school year. However, this restriction on the number of days of suspension does not apply when the suspension is extended pending an expulsion. (Ed. Code 48903, 48912)

**Suspension Procedure**

Except for emergency circumstances, the principal or designees appointed by the principal shall meet with a student prior to suspension to:

- Present oral or written notice of the charges against the student;
- Explain the evidence;
- Give the student a chance to present the student’s side of the story.
- If it is decided the student has violated school rules, the student may be suspended for no more than 5 consecutive school days.

**Parent Conference for Student Suspension**

When a student is suspended, a school employee will try to contact the parent or guardian in order to explain what has happened. No student will be sent home during the day without the parent or guardian being advised. Within one school day of the beginning of the suspension, the parent or guardian will be sent a notice with the following information:

- A statement of the facts leading to the decision to suspend.
- The date and time when the student will be allowed to return to school.
- A statement that the pupil or parent has the right to request a meeting with the Superintendent or the Superintendent’s designee.
- A statement of the right of the parent or the student to have a chance to see the student’s record.
- A request that the parent or guardian attend a conference to discuss the student’s behavior.
- A statement informing the student to remain away from school and school-sponsored activities during the period of suspension unless given written authorization by the principal to be present.
Suspension Right to Appeal
The parent may first appeal the suspension of their child to the school principal. If the student or parent wants a further review of the case, a meeting with the Superintendent designee will be scheduled. The Superintendent or designee will review the evidence, listen to the student or parent, and decide if there is sufficient evidence to determine that the violation occurred and whether an appropriate penalty was imposed.

Expulsion
An expulsion means that the student is removed from the Escondido Union High School District and any other public school district and must receive education in another school setting provided by the county office of education. Only the Board of Education may expel a student. The student possesses rights to be represented by counsel, obtain copies of all documents to be used at the hearing, question witnesses, and present evidence on his or her own behalf. The Administrative Panel will make a finding of fact and recommendation to the Board of Education on whether to expel the student or not based on the evidence.

A student found possessing, selling or otherwise furnishing a firearm or; brandishing a knife as defined pursuant to Education Code Section 48915 (g) or; selling a controlled substance while at school or at a school activity, committing or attempting to commit a sexual assault or a sexual battery, possessing an explosive shall be immediately suspended and recommended for expulsion. (Education Code 48915, 48915.7)

SUSPENDABLE OFFENSES: EDUCATION CODE, SECTION 48900(a) to 48900(r)
For 48900(a) to 48900(e), students may be suspended on a first-time offense; however, for 48900(f) to 48900(r), students will be provided with an instructional intervention prior to suspension.

**Searches and Seizures (CA Ed Code and Board Policy 5145.12)**

The law provides school officials with wide latitude to search students, their possessions, and automobiles, in the ongoing effort to maintain a safe and secure campus. When a school official has a “reasonable suspicion” that a student may be in possession of contraband or dangerous objects, the student will be asked to empty all pockets and provide the official access to other personal items (backpacks, lockers, cars) which may contain contraband or dangerous objects.

Where possible, metal detectors are used when searching an individual for weapons. It is hoped all students will be cooperative, as the school official will make every attempt to be unobtrusive and respectful of privacy. Students should be aware that a ground for suspicion commonly includes being “out-of-bounds” without permission or a report by another student, parent or staff member of possession of contraband or dangerous objects. (Students should also be aware that any contraband or dangerous objects found in their possession would be assumed to belong to them.) Finally, if a student should discover contraband or dangerous objects on campus, he or she should go directly to an Assistant Principal or other staff member and turn it over without delay. Parents are notified by phone if/when their student is searched.

**Use of Trained Dogs (Board Policy 5145.12(b))**

In order to provide a safe school environment, the Escondido Union High School District has approved the use of trained dogs which are used to detect the presence of substances prohibited by law or district policy and gunpowder-related weapons. Dogs may be brought onto campus without notification to students and parents.

**Use of Metal Detectors (Board Policy 5145(a))**

Where possible, staff will use a metal detector in searching a student for weapons. The Board finds that the growing presence of weapons in the schools threatens the district’s ability to provide a safe and orderly learning environment. Metal searches may be conducted in a random fashion that excludes individual discretion regarding who will be searched.

**Laser Pointers (Penal Code 4127.27)**

No student shall possess a laser pointer on any elementary or secondary school premises unless possession of a laser pointer on the elementary or secondary school premises is for a valid instructional or other school-related purpose, including employment.

No person shall direct the beam from a laser pointer directly or indirectly into the eye or eyes of another person or into a moving vehicle with the intent to harass or annoy the other person or the occupants of the moving vehicle.

No person shall direct the beam from a laser pointer directly or indirectly into the eye or eyes of a guide dog, signal dog, service dog, or dog being used by a peace officer with the intent to harass or annoy the animal.

**Weapons, Explosives, Related Devices:** Any student proved to be in possession of firecrackers or any other explosive device will be subject to suspension with possible consideration for expulsion.

Any student found guilty of setting off an explosive device will result in a suspension pending consideration of being recommended for expulsion.

Any student in possession of any instrument or object that could be construed as a weapon is consideration of being recommended for expulsion. This includes look alike firearms. Pellet guns, B.B. guns and Paint Ball guns on a school campus are considered firearms and are considered to be an expellable offense. Students bringing such weapons will be arrested, suspended and recommended for expulsion.
Any weapons or simulated weapons brought on campus will be confiscated. The result could be possible arrest, prosecution, and expulsion.

Any person except a police officer, who brings or possesses on school grounds, of or within, any public school, any dirk, dagger, sharpened blade fitted primarily for stabbing, knife with blade 3.5” long or folding knife with locking-blade, razor with unguarded blade, taser or stun gun is in violation of the law.

**Smoking or Use of Tobacco Products on Campus:**
State law prohibits the smoking, possession or use of tobacco, or any product containing tobacco/nicotine, by students or adults while on campus or while attending school sponsored activities.

**No Smoking Rule:**
This includes before and after school and is prohibited in the parking lot, in or out of cars, outside school entrances and areas adjacent to and around school property. This applies to both students and adults.

Chewing tobacco is not permitted on campus. Students using or in possession of tobacco/nicotine products on campus will be subject to disciplinary action and will be required to attend mandatory tobacco education on Saturdays.

**Sexual Harassment (Ed Code 48900.2)**
In addition to the reasons specified in section 48900, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined by Section 212.5.

For the purposes of this chapter, the conduct described in Section 212.5, must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual’s academic performance or to create an intimidating, hostile, or offensive educational environment. This section shall not apply to pupils enrolled in kindergarten and grades 1 to 3, inclusive.

(Added by Stats. 1992, Ch. 909, Sec. 2. Effective January 1, 1993)

**Definition:** Any unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature. This is defined as uninvited behavior that makes being in school offensive, negative, unfriendly and/or intimidating and leads to a hostile environment that makes learning difficult.

**Conditions:**
Submission to the conduct is explicitly or implicitly made a term or a condition of an individual’s employment, academic status, progress, or promotion.

Submission to, or rejection of, the conduct by the individual is used as the basis for employment or academic decisions affecting the individual.

The conduct has the effect of having a negative impact upon the individual’s work or academic performance or of creating an intimidating, hostile, or offensive work or educational environment.

Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

**ASSERT YOURSELF:** Tell the harasser to stop the behavior. Tell him or her aloud or in writing what behaviors you find offensive.

**CALL FOR HELP:** Ask for the help of someone you trust - your friends, parents or a person in authority. Tell them of your problem. Enlist friends as witnesses.

**TAKE NOTES:** Keep a detailed, written record of what was said and done to share with the person who investigates your complaint.

**INFORM AUTHORITIES:** Report the offensive behaviors to a teacher, counselor or principal. Give details and provide witnesses. This action may stop the behavior.

**OPEN A CASE:** File a complaint against the person who is harassing you. (See Uniform Complaint Policy)

**NEVER GIVE IN:** If you are not satisfied with the results of your complaint, continue to take action and get help.

*Sexual harassment is based upon the impact on the victim. It is not based on the intentions of the perpetrator.*
Escondido High School Ethics Policy:

**Academic Honesty:** Academic honesty is a strict expectation of all students enrolled in the Escondido Union High School District. Students are to do their own work on all school assignments and tests (unless otherwise directed by the teacher). Acts of academic dishonesty, which will not be tolerated, are listed and defined below:

**Cheating on Tests:** Any intentional giving or use of external assistance relating to an examination, test or quiz, without express permission of the teacher. No cell phones will be permitted to be out during testing.

**Fabrication:** Any intentional falsification or invention of data, citation, or other authority in an academic exercise.

**Unauthorized Collaboration:** Intentional collaboration on an assignment between a student and another person, if the teacher does not expressly permit such collaboration.

**Plagiarism:** Any intentional use of another's ideas, words, or work as one's own. Plagiarism includes the misuse of published material and the work of other students.

**Theft or Alteration of Materials:** Any intentional and unauthorized taking, concealment, or alteration of student, teacher, or library materials, this includes the use of cameras and cell phones.

Failure to observe the rules relating to academic honesty will result in consequences to be determined by site administrator(s) and the instructor. At Escondido High School, we believe in strong ethical decisions and behavior. In order to promote growth in ethical areas, the following policy is enforced.

Students who cheat or plagiarize on any test, quiz, report, computer disk, homework, in-class assignment or any school-related test (PSAT, SAT, CAHSEE, ACT, etc.) are subject to Escondido High School Ethics Policy, which is listed below. Helping another student on an exam or assignment is also a violation of the Ethics Policy if the instructor designates students are to work on their own.
