NOTICE TO BIDDERS

ADDENDUM #1

RFP #2019-20-11: EUHSD Networking Cabling Project

Escondido Union High School District

The following changes, additions, deletions, clarifications or corrections shall become part of the Bid & Contract Documents for the above listed project. This Addendum #1 forms a part of the contract document and modifies the original bidding documents. Acknowledge receipt of Addendum #1 in the space provided on the bid form. Failure to do so may subject bidder to disqualification.

AD 1.1.0: Answers to Requests for Information

1.1.1 Page 8 – Project Specifications –

Are you going to provide maps / prints of each of the sites that have the IDF and MDF locations marked? We need this information in order to estimate the number of patch panels that will be needed.

Answer: This will be shared at the job walk.

1.1.2 You define when the warranty will begin, but you do not list the length of the warranty. Does the district require a manufacturer supported warranty of 15 years, 25 years or lifetime? If so the cabling will have to be installed by a certified installer from that manufacturer (For example, Berk-Tek, Superior Essex, Commscope, Amp etc). Will there be requirements for this or do you just require a 1 year warranty on the installation only?

Answer: The District is requiring a 1 year warranty for the installation.

1.1.3 Page 8 - Project Specifications –

You do not require any testing or certification on the installed cabling that is being provided. Do you require this and the test results as well?

Answer: The District requires testing and certification of all installed cabling. Documentation to be provided to the District at closing of project.

1.1.4 Escondido Erate Team, for RFB 2019-20-11, it states that an RCCD cert is required. Is it okay if CDW doesn't, but our subcontractor doing the work does?

Answer: The District finds this acceptable. The certificate must be submitted with the bid package.

AD 1.2.0: Change to Submission Instructions in Bid Documents

1.2.1 The time of the job walk is changed from 10:00 AM to **2:30 PM, on January 28th, 2020.**

END OF ADDENDUM #1

Date Issued: January 24, 2020
