Hello Patriots!

Welcome to Orange Glen High School. I am Michael Santos, your new and proud principal here at OG. I am excited to join you as part of the Patriot Family. In this family, we take care of each other both in and out of the classroom. Our OG staff are here to support all students in their academic and social needs. But we can’t do this alone. We would like to partner with families in ensuring that your student finds success here at OGHS.

As we continue to work through the ever-changing landscape of our world, our job at school is to provide a safe, consistent, and academic environment for your student to grow and flourish as a person. As we begin the new school year, I want to work with students and their families in creating this positive and quality experience to help support students.

Let’s make this school year the best one yet. That can only happen when we all work together. Our OG staff is ready to do what we can to help your student and you can help ensure that if we work as a team. Please let me know what you need. You can reach me at msantos@euhsd.org.

District and School-to-Home Mass Notification Disclosure

Dear Parent/Guardian,

The Escondido Union High School District seeks to keep parents informed of district and school information in a timely and efficient manner. Current laws permit districts and schools to use automatic dialing services to notify parents/guardians of emergency situations that impact the health and safety of students and faculty. Emergency notifications may be sent using an automatic dialing service and may be delivered via email, voice recording or text message to your cellular/wireless mobile device (if a wireless number is provided at the time of student registration), as well as your home landline telephone number. Emergency notifications include messages relating to unexcused student absences, weather closures, incidents of threats and/or imminent danger to the school due to fire, dangerous persons or health risks.

The district and its schools also use automatic dialing services to send mass notifications to parents/guardians regarding non-emergency matters closely related to the educational mission of the district. Examples of non-emergency notifications may include messages regarding school-sponsored events, college applications, back-to-school night, testing schedules, bell schedules, course selection night, school registration, etc.
The Escondido Union High School District will never send you commercial, marketing or political messages. When using automatic dialing services, our goal is to keep parents/guardians informed of district and school-related information that serves the educational interest and well-being of students.

If you have any questions regarding the district’s use of automatic dialing services, please contact the attendance office at your student’s school below:

(Amended by Stats. 1981, Ch. 219, Sec. 2.)

BP 1312.3: Community Relations: Uniform Complaint Procedures
The Governing Board recognizes that the district has primary responsibility for ensuring that it complies with state and federal laws and regulations governing educational programs. The district shall investigate and seek to resolve complaints at the local level. The district shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination based on ethnicity, religion, age, gender, sexual orientation, color, or physical or mental disability in any program or activity that receives or benefits from state financial assistance. Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education, consolidated categorical aid programs, migrant education, vocational education, child care and development programs, child nutrition programs and special education programs.

The Board prohibits retaliation in any form for the filing of a complaint, the reporting of instances of discrimination, or for participation in complaint procedures. Such participation shall not in any way affect the status, grades, or work assignments of the complainant. The Board encourages the early, informal resolution of complaints at the site level whenever possible. Upon receipt of a written complaint from an individual, public agency or organization, uniform complaint procedures shall be initiated. The Superintendent or designee shall distribute full information about these procedures.

The Board recognizes that a neutral mediator can often suggest an early compromise that is agreeable to all parties in a dispute. Whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate a mediation process before beginning a formal compliance investigation. The Superintendent or designee shall ensure that mediation results are consistent with state and federal laws and regulations.

The Board acknowledges and respects student and employee rights to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.

The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.

(cf. 9124 - Attorney)

Dear Parents:

Orange Glen High School, as a part of the Escondido Union High School District, has developed an emergency plan for a number of situations that may occur. Each staff member is issued a disaster plan book and is given training in its implementation. Each year the entire school practices the Evacuation procedure many times in conjunction with local and regional emergency response agencies. Fire drills are also practiced throughout the year. In case of disaster, please listen to the radio or TV for instructions.

Keep the following in mind:
Your students may be safer at school than at home in a serious emergency because school buildings are earthquake safe, there is fire-fighting equipment on campus, and the school has plans and specific procedures for dealing with all types of serious emergencies. The safety and welfare of the students is our primary concern in the event of an emergency.

In the event of an emergency, your student should be prepared to follow the directions of teachers or staff at the school site, or the bus driver if he or she is on the way to or from school. If your student is traveling by other means when an emergency occurs, they should proceed to school, as this will be the safest place for them to be. Also, this way you will know where they are if communication or travel is disrupted by an emergency.

Your cooperation is requested in the following areas:
1. Do not telephone the school. *Telephone lines and cell phone capacity will be needed for emergency responders.*
2. Do not drive to school. *Streets need to be as open as possible for emergency vehicles.*
3. Do turn your radio to KKLQ 600 or KCBQ 1170 on the AM dial. *Information and directions will be given over the radio.*
4. The family reunion area is located at the Orange Glen High School Stadium.

In conjunction with the Escondido Union High School District Disaster Preparedness Plan, we urge every family to make home emergency plans and preparations. If you have questions about our emergency preparedness program, please contact the Assistant Principal’s Office at 760-291-5020 or 5021.

Sincerely,

OGHS Administration
EXCUSED ABSENCES
The following are details from the Education Code concerning absence from school (EC 48205):

- Excused due to his or her illness. Parents should notify the school if their student is diagnosed as having a communicable disease such as strep throat, chicken pox, measles, head lice, or hepatitis.
- Due to quarantine under the direction of a county or city health officer,
- For the purpose of having medical, dental, optometric, or chiropractic services rendered,
- For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California,
- For the purpose of jury duty in the manner provided for by law,
- Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, and
- For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, or attendance at an employment conference, when the pupil's absence has been requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit. The teacher of any class from which a pupil is absent shall determine the tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

Attendance is an important factor in being successful in any school program. Parents/guardians are encouraged to phone the school when a student is absent. Upon returning to school, a student must have a note from a parent/guardian giving the reason for absence and the date.

UNEXCUSED ABSENCES
These include ditching, missing the bus, oversleeping, shopping, gainful employment, baby-sitting, and a trip or excursion without the prior approval of the principal. All students returning from an absence or needing to leave during the day must report to the attendance office. Whenever a student is absent, he/she loses detailed instruction and class interaction that cannot be adequately recovered. A student may have excessive absences and still "get by" but getting by is not getting a good education. Excessive absence may result in a lower level of achievement that will be reflected in the student's grade. The key to improved test scores is improving school attendance.

- Examples of unexcused absences are: trips, inclement weather, transportation problems, baby-sitting, work, truancy, and suspension.

UNEXCUSED ABSENCE AND SATURDAY SCHOOL
Any unexcused absence from class is considered truancy. The student will be assigned a Saturday School and receive written notice of the time, date and place that he/she must serve. All truancies must be made up. Students who fail to attend an assigned Saturday School will be subject to suspension from school.
HABITUAL TRUANCY
Students who fail to meet the EC 48260 requirements may be declared habitually truant from school. Parents who excuse absence from school for more than ten days in a school year may be warned in writing that no further excused absence will be accepted by the attendance office without an accompanying doctor’s note.

Truancy (Education Code 48260 Article 5.)
Any pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without valid excuse three full days in one school year or tardy or absent for more than any 30- minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, is a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.

Upon a pupil's initial classification as a truant, the school district shall notify the pupil's parent or guardian, by first-class mail or other reasonable means, of the following:

- That the pupil is truant
- That the parent or guardian is obligated to compel the attendance of the pupil at school
- That parents or guardians who fail to meet this obligation may be guilty of an infraction and subject to prosecution pursuant to Article 6 (commencing with Section 48290) of Chapter 2 of Part 2
- That alternative educational programs are available in the district
- That the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the pupil's truancy
- That the pupil may be subject to prosecution under Section 48264
- That the pupil may be subject to suspension, restriction, or delay of the pupil's driving privilege pursuant to Section 13202.7 of the Vehicle Code
- That it is recommended that the parent or guardian accompany the pupil to school and attend classes with the pupil for one day

TARDIES AND TRUANCIES
Any student who is absent from school, without valid excuse, more than three days or tardy in excess of thirty (30) minutes on each of more than three days in one school year is a truant (E.C. 48260). It is the parents’ and guardians’ responsibility to determine whether or not there is a compelling reason for a student to be absent from school. An absence from school without the parent's/guardian's or school's permission constitutes a truancy.

The student who is truant will be subject to one or more of the following disciplinary consequences: After-school detention; Lunch detention; Saturday School; Parent conference; School Attendance Review Team contract; Behavior contract; Community service;Referral to the North County School Attendance Review Board (SARB).

SARB (SCHOOL ATTENDANCE REVIEW BOARD)
California EC 48260 states that a student who is absent without valid excuse for three days or tardy more than 30 minutes on each of at least three occasions is deemed “truant”. A student deemed habitually truant might be referred to SARB for appropriate action. The SARB process reviews overall attendance, not just truancies.

- **SARB I: Attendance Letter of Warning** - (Three truancies, excessive tardy) A letter is sent home.
- **SARB II: School Attendance Review Team Meeting; 2nd Attendance Letter of Warning** - (Six truancies, excessive tardy) A second letter is sent home. An OGHS School Counselor or Administrator will contact the parent to schedule a meeting.
- **SARB III: School Attendance Review Board Meeting; 3rd Attendance Letter of Warning** - (Nine truancies, excessive tardy) A SARB hearing is then scheduled for the parent and student to attend at the Escondido Police Station. An OGHS Administrator will present the SARB panel with information regarding your child's attendance history. The panel will then decide to have the student sign a contract or they may send the case to juvenile court in San Diego and cite the parent and student to appear in court.
CLEARING ABSENCES

- Parents or guardians may call the attendance office on the day the student is absent:
  - If the call is received prior to 1:00 p.m. the school will not call home and the students name will be placed on the excused list. If a telephone call is not made, students are to report to the Attendance Office with a note from a parent or guardian indicating the date or dates the student was absent and the reason for the absence.
  - If a student returns to school without a phone call or signed note, he or she will be assigned a Saturday School. Students must show their OGHS student ID card to receive a re-admit slip.
  - If parents or guardians will be out of town or otherwise unavailable, send written instructions to the attendance office containing the names, addresses and phone numbers of those persons authorized to excuse your child from school or provide medical care in the event of an emergency, prior to leaving town.

- Parents should provide the following information:
  - The student’s first and last name should be included in the note. All excuses must be received within 72 hours of the student returning to school. ALL students are to report to the Attendance Office to pick up re-admit slips or check to determine if their name is on the excused list prior to the first bell.
  - Students are to get re-admit slips between 7:00 a.m. and 7:40 a.m., nutrition break, lunch, and after school.
  - Students are required to show the re-admit slip to each teacher whose class was missed and get the re-admit initialed by the teacher. Parents and students should know that excessive absences including excused absences, would adversely affect a student’s grades.

LEAVING CAMPUS WITHOUT PERMISSION

The Escondido Union High School District maintains a CLOSED CAMPUS at all times. Whenever a student needs to leave school, during school hours, he or she must obtain an off-campus pass from the health office, the attendance office, or an administrator. All students leaving campus without prior permission are subject to disciplinary consequences, which may include being searched for contraband. There is no excuse for being off campus without both administrative and parental permission.

OFF CAMPUS PASSES

Orange Glen is a closed campus per School Board Policy. Once a student arrives on the campus, he or she may NOT leave before 2:45 p.m. without an Off Campus Pass (OCP). Passes are available for medical or dental appointments or family emergencies. They should be requested with discretion.

Parents/Guardians are to call the Attendance Office a day ahead, if possible, for doctor/dental appointments. Students will be required to pick up their OCP before school, during break, or at lunch to be able to leave at the time of the OCP. They will not be delivered to the classroom except in a true, viable emergency. Failure to get an authorized OCP will result in the absence being considered a truancy and is subject to disciplinary consequences.

- When returning to school, student should follow the same procedures as with a regular absence.
- It is mandatory that students leave campus at the time indicated on the pass.

PERMANENT OFF CAMPUS PASSES

Students who have approved short schedules due to unscheduled periods must obtain permanent off campus passes from the Assistant Principals’ Office. Students must leave campus at the time indicated on the pass. Failure to do so will result in disciplinary action.

FIELD TRIPS OR SCHOOL SPONSORED ABSENCES

Teachers will be notified in advance of all school-sponsored activities to release participating students. If a teacher feels improper student performance warrants non-attendance, teachers may recommend that a student not attend. Teachers must clear students in order for that student to attend a field trip. Students attending a field trip without permission from all teachers will be considered truant and will be subject to disciplinary action. For regularly scheduled events, (i.e. athletics and band) a roster identifying participating students is given to teachers in advance of the season.
ABSENCE FOR RELIGIOUS INSTRUCTION

Pupils, with the written consent of their parents or guardians (EC 46014), may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at their respective places of worship or at other suitable place or places away from school property designated by the religious group, church, or denomination, which shall be in addition and supplementary to the instruction in manners and morals required elsewhere in this code. Such absence shall not be deemed excused absence in computing average daily attendance, if all of the following conditions are complied with:

- The governing board of the district of attendance, in its discretion, shall first adopt a resolution permitting pupils to be absent from school for such exercises or instruction.
- Each pupil so excused shall attend school at least the minimum school day as provided by the relevant provisions of the rules and regulations of the State Board of Education for secondary schools.
- No pupil shall be excused from school for such purpose on more than four days per school month.
- A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit.
- The teacher of any class from which a pupil is absent shall determine the tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

TEMPORARY DISABILITY

EC 48980(a) Except for those pupils receiving individual instruction provided pursuant to Section 48206.5, a pupil with a temporary disability which makes attendance in the regular day classes or alternative education program in which the pupil is enrolled impossible or inadvisable shall receive individual instruction provided by the district.

- "Temporary disability" means a physical, mental, or emotional disability incurred while a pupil is enrolled in regular day classes or an alternative education program, and after which the pupil can reasonably be expected to return to regular day classes or the alternative education program without special intervention.
- A temporary disability shall not include a disability for which a pupil is identified as an individual with exceptional needs pursuant to Section 56026 and receives services through the IEP.
- Each clock hour of teaching time devoted to individual instruction shall count as one day of attendance.
- No pupil shall be credited with more than five days of attendance per calendar week, or more than the total number of calendar days that regular classes are maintained by the district in any fiscal year.

EC 48207 and EC 48208 A pupil with a temporary disability who is in a hospital or other residential health facility, excluding a state hospital, which is located outside of the school district in which the pupil's parent or guardian resides shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located.

If a student has a temporary disability and is in a hospital or other residential health facility, excluding a state hospital, which is located outside the district in which the student's parent or legal guardian resides, it shall be the primary responsibility of the parent or guardian of a pupil with a temporary disability to notify the school district in which the pupil is deemed to reside pursuant to Section 48207 of the pupil's presence in a qualifying hospital. The student will be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located; therefore, the student may receive educational services from the school district in which the hospital resides.

Home Hospital Instruction

Students who are unable to attend a school placement may request home hospital instruction. In this setting a teacher will meet with a homebound student who receives instruction in their home. Acceptance into and length of stay in this program are subject to specific criteria and require authorization of a medical doctor. For further information, call the Office of the Director, Special programs, 760-291-3257.

HOMEWORK FOR ABSENCE FROM SCHOOL

Parent may call the attendance office and request homework for illnesses that exceed three (3) days. The homework can be picked up after school by a parent or friend.
LONG TERM ABSENCES
Circumstances may arise that require students to be absent from school for more than three school days. Please contact the Attendance Office for a Long Term Absence Form to be completed prior to the absence.

PARENTS ATTENDING CLASS WITH SUSPENDED STUDENTS
Teachers may require that the parent or guardian of a pupil who has been suspended by a teacher, for reasons specified in subdivision (i) or (k) of Section 48900, attend a portion of a school day in his or her child's or ward's classroom. The attendance of the parent or guardian shall be limited to the class from which the pupil was suspended.

NOTICE ORDERED BY THE FEDERAL COURT
Directions have been issued from the federal court regarding the role of the school regarding students’ immigration status.

- No student who lives in California can be kept out of school (from kindergarten through 12th grade) just because of his or her citizenship or immigration status.
- No school employee may ask any student, parent or guardian about his or her citizenship or immigration status.
- No school employee may report or give information about the citizenship or immigration status of a student, parent, or guardian to the Immigration and Naturalization Service, the Attorney General, or any government agency.

HALL PASSES
Students are required to have an approved OGHS hall pass in their possession any time they are outside the classroom during class periods. Only one student per pass is allowed. Verbal authorization to be out of class without a pass will not be accepted. Vending machines are off-limits during class time. Students using vending machines during class time will be subject to disciplinary consequences.

SCHEDULE CHANGES
Changes may ONLY be made in the first five (5) days of the semester and only if an error has occurred. Changes after the five (5) day period, may only be made with the approval of an administrator. Any changes made after the first four (4) weeks of any semester may result in a Withdraw/Fail (W/F) and will be posted on the student's transcript.

CLASS REPEATS
Only classes with a D or F may be repeated. Student's GPA will be recalculated using the higher grade so long as the retaken course is the exact same course number and title as the previously taken course. Make an appointment to see a counselor if you have any questions regarding repeating a class to improve your grade or satisfy a requirement.

VALEDICTORIAN, SALUTATORIAN, AND VALEDICTORY CIRCLE
Any student with an overall “weighted” cumulative grade-point average in grades 9-12 places him or her among the top ten (10) students in the graduating class, will qualify to be included in the pool from which the valedictorian and salutatorian will be selected. The student who has taken the most rigorous academic program as defined in the accompanying administrative procedures shall be designated the valedictorian. The student with the second most rigorous program shall be designated the salutatorian. Refer to EUHSD Board Policy for details regarding selection criteria for Valedictorian and Salutatorian. The Valedictory Circle will include the top ten (10) students, and selected speakers will be chosen from this group of students.

FOUR-YEAR PLANNING
Each counselor will meet with all 9th grade students to make a four-year plan for course selection based on the student and parent’s preferred post-secondary goals. In 9th grade, students will be provided access to a Naviance account, which will enable them to track their four-year plan and help them plan and prepare for college and career.

Students planning to attend a CSU or UC should consult their counselor to determine which visual and performing arts classes will be acceptable for admission purposes. Students may apply for no more than 10 credits of the physical education requirement for their participation in interscholastic athletics, marching band / auxiliary units / cheerleading / dance / NJROTC or other programs / courses approved by the Superintendent or designee. Students failing the PFT will be required to continue to take standard P.E. course every year, regardless of completion of minimum requirements for graduation, until they pass the PFT.

LETTERS OF RECOMMENDATION
Counselors are available to write letters of recommendation regarding college admission and scholarships. Please allow 15 days to pick up your letter from the counselor. Request forms for letters of recommendation are available in the counseling office.

SUMMER SCHOOL
A number of classes may be offered each summer to assist students who have failed a class, or need extra help to be successful in the required school curriculum. Summer School is not guaranteed for all students.
To enroll in summer school:

- **Make an appointment** to see your counselor if you are falling behind in school. Your counselor may contact you to advise you to take classes that you need to help you catch up if you are behind in school.
- **Counselors will recommend summer school classes** to students during the Spring registration; however, a summer school registration form needs to be completed for enrollment to be considered.
- **Placement in Summer School is based on need and availability** of classes and there are usually more students requesting classes than there are spaces available. Sign up early.
- Classes usually start the week after the school year ends and may include online courses.

Because there are only 60 hours of class time in the summer compared to 90 hours during the regular school year the attendance guidelines are very strict. Summer school rotates between San Pasqual High School, Escondido High School, and Orange Glen High School each year.

---

**GRADUATION AND A-G REQUIREMENTS**

All students must follow a program of studies that has been approved by a counselor. All students must enroll in a minimum of six class periods (30 semester credits) during each semester. The minimum credit requirement for graduation is 230; however, students should strive to also meet their A-G requirements within their graduation requirements.
See your personal college and career counselor for more information about what courses are best for you.
MAINTAIN ATTEND PARTICIPATE (MAP)

A program ensuring automatic CSU-San Marcos admissions and tuition assistance

Are YOU willing to:
- Attend high school in Escondido Union High School District grades 9-12?
- Aim for a 3.0 or higher GPA?
- Do well on the Entry Level Mathematics (ELM) and English Placement Test (EPT) Exams?
- Complete all college approved A-G courses with a “C” or higher?
- Maintain 98% attendance?
- Complete community service and participate in community activities?
- Take the SAT or ACT?

If you are, then you will be eligible for guaranteed admission to California State University San Marcos and may be provided with tuition assistance. During February 2006, in an effort to heighten the awareness as to the importance of attending school for both students and parents, the Escondido Union High School District embarked on a major campaign, MAP Your Future, Reach Your Destination. MAP is a simple acronym to help keep school success as a goal for all students and emphasizes these important messages:

Maintain an academic focus, attend school daily, and participate in school or community activities.

“M” Maintain a rigorous course of study (completing A through G UC/CSU admission criteria with a 3.0 GPA)

“A” Attend school daily (maintaining a minimum of 98% attendance rate over 4 years)

“P” Participation in school and/or community activities (minimum total of 100 hours over 4 years)

The Escondido Union High School District, along with the Escondido Union School District, San Pasqual Union School District and California State University San Marcos have created a community-wide partnership for academic reform and college admission. Joining these efforts are the Escondido Chamber of Commerce and the City of Escondido.

Beginning with the class of 2011, students who complete all four years of high school on an Escondido Union High School District campus and achieve the following benchmarks will be eligible for guaranteed college admission to California State University, San Marcos and will be eligible to receive tuition assistance.

Parents are encouraged to support the student’s efforts and must complete the Free Application for Federal Student Aid (FAFSA) as required in order for the student to meet eligibility standards. For more information, see your student’s counselor at Orange Glen High School or call EUHSD at (760) 291-3200.

As a community, we have created a road map to student success. We look forward to working together to inspire and guide the youth of Escondido to MAP their future and reach their destination.
REPORT CARDS AND GRADES
Progress report cards are issued every six weeks. The final semester grades and corresponding credits are listed on the transcript, a permanent record.

GRADING POLICY
The school year is divided into two semesters. Each semester is divided into three six-weeks grading reporting periods. Each grading period, teachers will issue report cards showing subject grades and citizenship grades to parents/guardians. Typically report cards are mailed home one (1) week after the close of the last six week reporting period.

STUDENT GRADE REPORTING PERIODS
All progress reporting periods are approximately six (6) weeks of instructional time.

If you do not receive your mailed student report card, contact the Counseling Office Secretary at (760) 291-5040.

Grades issued at the end of six-week sessions indicate progress during that period of time and are not recorded on students’ permanent record (transcript). Semester grades indicate progress for the full semester and are recorded on students’ permanent records (transcript).

PROGRESS REPORTS
Student academic progress reports are used to inform the student(s) and his/her parents/guardians of the students’ progress his or her courses. Reports are provided with enough time for students to adjust their academic behavior in order to receive the desired grade for the course. If the pupil’s grade has dropped to an “F,” or if the pupil is in danger of failing a course during the last six weeks’ grading period, it is the teacher’s responsibility to make a timely effort to notify the pupil, his/her parents/guardians of this circumstance as soon as possible. A failing course grade for the semester may not be issued without a timely prior parent notification.

WEEKLY PROGRESS REPORTS
These reports may be used at any time when requested by the teacher, administrator, counselor or parents. These reports indicate the student’s academic and citizenship grades during a specific period of time. Although we encourage everyone to use Synergy Grades, parents may request progress reports (weekly) when the student is not making satisfactory progress.

WEIGHTED CLASSES
Those courses that the University of California (UC) system designates as meeting their academically rigorous criteria will receive 5.0 weighting. Examples of courses that are eligible for the GPA weighted score are Honors English 9 and 10, Honors Anatomy and Physiology, and all Advanced Placement (AP) courses.
**GRADE MARKING**
The following percentages will normally be followed for marking grade cards and also represent the Escondido Union High School District standard for English, Mathematics and Reading Proficiency Tests:

Teachers will issue report cards showing the academic and citizenship grades, absences and number of referrals for tardiness for pupils at the end of each six-week grading period. The following symbols will be used to record pupil’s academic grades:

<table>
<thead>
<tr>

All incompletes will become F’s if the grades are not replaced within six (6) weeks. A “No Mark” (NM) shall be given only when circumstances have not allowed the student to be enrolled in class long enough to earn credit or the student has not yet completed the required work and will continue to complete. A student will have no longer than the subsequent semester/term and summer session to complete the work required (Summer session and Fall semester/term or Winter semester/term and Summer Session). If the work is not completed by that time, the “No Mark” will be replaced with an “F.”

Mathematics courses are piloting a new competency-based grading protocol, which may include terms such as E (Exceeding Standard), M (Meeting Standard), R (Needs Revision toward Standard), and F (Failure to Meet Standards). These marks are allocated within each unit according to the Common Core California State Standards. Please contact your student’s Mathematics teacher if you have any questions or concerns.

Citizenship grades will be determined on the pupil’s responsibility, effort, class conduct, and courtesy. The following symbols will be used to record pupil’s citizenship grades:

- **E** Excellent
- **S** Satisfactory
- **N** Needs Improvement
- **U** Unsatisfactory

**SYNERGY GRADES - ONLINE GRADEBOOK**
Orange Glen High School teachers use the Synergy online grade book program to communicate grades, assignments and class information with parents and students. Each student and parent has a unique login for Synergy Parent VUE, and can view up-to-the-minute grades using any computer with internet access. Typically, student grades are entered by teachers at least once per week. Parents and students can view missing assignments, as well as the impact of those assignments on student grades. Additionally, parents may choose to have e-mail updates sent to them whenever grades are updated. Students will be given their log in information during the first week of school in their English classes. Parents may get their log-in information during registration or at back to school night. Parents or students may also get log-in information from the counseling office or from any of their child’s teachers.

Some teachers utilize other grading and assignment platforms, such as Jupiter Grades, Google Classroom, or Canvas Learning Management System. Your student’s teacher must provide login access for you and your student. If you do not have the proper login access, please contact the teacher immediately.

RECOMMENDED PROCEDURES FOR RESOLVING PROBLEMS WITH GRADES

Several courses of action are available to assist parent/guardian(s) of a student who is having difficulty with a class.

- Discuss the problem with the teacher.
- Call the main office at (760) 291-5000 and ask to speak with the teacher or a counselor (See Counseling section for specific counselor names and phone numbers). Leave your name, student’s name, the name of the teacher, your work or office phone number, and whether you want a phone call or an in-person appointment to discuss your student’s progress/grade.
- Talk to your student’s counselor. The counselor will suggest various strategies/interventions that can be used to assist/support your student.
- Parents can enroll in one of the many successful parenting courses offered through the Parent Center.

MOVING OR TRANSFERRING TO ANOTHER SCHOOL
Parents are requested to give at least one day's notice, verbal or written, to the school registrar prior to requesting their child be checked out of school. * Students checking out to go to another comprehensive school in the district, or to Valley High School (Continuation), should make an appointment to meet with their counselor prior to their completing the checkout process to ensure continuity in their class schedule.

STEPS FOR CHECKING OUT
1. Pick up a drop slip from the Registrar's Office.
2. Students take the drop slip, to each teacher in order to obtain final grades.
3. Ask for a copy of the student's transcript and immunization records.
4. Turn in all books.
5. Pay all fines.
6. Failure to take care of any financial obligation at OGHS may delay the release of your records to your new school.
7. California schools and many other states require immunization records before they will admit new students. Make sure you take a copy of your transcript, checkout grades and immunization records to your new school of enrollment. Moving may affect athletic eligibility. See your coach or the athletic director to check your eligibility and/or file the appropriate paperwork with CIF.
8. If you have been EXPELLED or INVOLUNTARY TRANSFERRED, you may NOT complete check-out steps independently. You must check in with an Assistant Principal to complete your check-out procedures.

CHANGE OF ADDRESS WITHIN THE DISTRICT ATTENDANCE BOUNDARIES
If you are moving to another school’s attendance boundary within the EUHSD and you wish to remain as a continuing student at Orange Glen High School, please inform the registrar as soon as possible. You will be required to complete an Intra-District Attendance form. If you wish to attend the school serving your new residence, then check out of OGHS on your last day of attendance and report the next school day to the registrar at your new school. All Intra-district transfers are subject to approval by the Director of Pupil Services. For appointments please call Yuvia Suarez at (760) 291-3261.

CHANGE OF ADDRESS OUTSIDE THE DISTRICT ATTENDANCE BOUNDARIES
If you move outside the attendance boundaries of the Escondido Union High School District and you wish to continue as a student at Orange Glen High School, advise the registrar at (760) 291-5059 immediately.

*If you live outside the district you are required to obtain an Inter District Attendance Permit signed by both your new school / district of residence and the Director of Pupil Services, Escondido Union High School District Office. * Go to your new district of residence and complete an Inter-District Transfer form. *Mark on the form that you are requesting to be considered as a continuing student at OGHS. This signed form should be returned to the Director of Pupil Services.

- Before any student grade is changed either by the Superintendent or at the decision of the Board, the teacher who gave the grade shall be given an opportunity to say why the grade was given. Insofar as practicable, the teacher shall be included in all discussions related to the grade change. (EC 49070 The decision of the Board shall be final. This statement shall become a part of the student's record until such time as the information in question is removed. (EC 49070)
- Both the Superintendent and the Board have the option of appointing a hearing panel to assist in making the decision. The hearing panel may be used at the discretion of the Superintendent or the Board provided that the parent/guardian consents to releasing record information to panel members. (EC 49070, 49071)

Additional Athletic Staff
PRE-SPORT PREPARATION AND REQUIREMENTS

Each student must obtain the following to be cleared for participation on any OGHS athletic team. See the cashier for the Athletic Clearance Application. The clearance process has transitioned to an online process and can be started at https://athleticclearance.com/ The following forms are required:

- Emergency information forms: which includes proof of insurance coverage.
- Sports Physical performed by a Medical Doctor (M.D.) and parental consent to participate.*
- A signed CIF Ethics Code of Conduct.
- A signed Orange Glen High School Athletic Contract.
- A minimum 2.00 GPA and passing four classes minimum (20 credits) for the 6-week grading period.
- CIF Sports Injury Warning Agreement

For 10th-12th graders, contact a coach or the Athletic Director one (1) month prior to the season of the sport in which you want to participate. For 9th graders, if you want to play fall sports, contact coach or AD two (2) months prior to your start of high school.

*A physical examination is MANDATORY and is good for one year from the date of the exam. The school district does not provide medical, dental, and/or hospital services insurance for students who are injured while participating in school sponsored athletics. In order to participate in interscholastic athletics, you must provide proof of medical insurance. For this reason, the school district makes available student accident coverage. Present law provides that school boards shall require each member of an athletic team to have insurance, which provides at least $1,500.00 insurance protection for medical and hospital expenses resulting from accidental bodily injury while participating in, or practicing for inter-school athletic events, or while being transported to and from such athletic events and an accidental death benefit of at least $1,500.00. The Escondido Union High School District provides insurance to meet only the transportation requirement.

ATHLETIC ELIGIBILITY

Per CIF Administrative Regulation 6145, students become eligible or ineligible the next calendar day following the official notification of grades at the end the grading period. Students involved in team sports may be required to leave school early one or more times a week to compete at other schools. Most families try to minimize the impact of a missed 5th or 6th period class by scheduling the student's PE class or the least academic class during one of these periods. Speak to the counseling staff on how best to schedule classes.

NCAA ELIGIBILITY STANDARDS

For students interested in pursuing NCAA-Division I athletics, they must graduate high school and meet ALL the following requirements:

- Complete 16 core courses:
  - (4) years of English
  - (3) years of math (Algebra 1 or higher)
  - (2) years of natural/physical science (including one year of lab science if your high school offers it)
  - (1) additional year of English, math or natural/physical science
  - (2) years of social science
  - (4) additional years of English, math, natural/physical science, social science, foreign language, comparative religion or philosophy

- Complete 10 core courses, including seven in English, math or natural/physical science, before the seventh semester. Once students begin their seventh semester, they may not repeat or replace any of those 10 courses to improve their core-course GPA.

- Earn at least a 2.3 GPA in their core courses.

- Earn an SAT combined score or ACT sum score matching their core-course GPA on the Division I sliding scale, which balances their test score and core-course GPA. If student receives a low test score, they need a higher core-course GPA to be eligible. If they have a low core-course GPA, they need a higher test score to be eligible. If they have a low core-course GPA, they need a higher test score to be eligible.

For more information on minimum academic requirements for NCAA-Division II and NCAA-Division-III, please visit the district’s Education at: https://www.euhsd.org/departments/educational-services/curriculum-instruction/ncaa-eligibility/

LEARNING CENTER

Learning Center Coordinator: Susan Pratt (760) 291-5050
Learning Center Office Assistant: (760) 291-5054

Learning Center Independent Study: Students or their parents may request to attend the OGHS Learning Center Independent Study Program as an alternative to full time attendance at a comprehensive high school. Students must complete the equivalent of 30 hours of class work each week to remain eligible to continue in this placement. This is a voluntary placement only. Referrals to OGHS Learning Center through the school counselor and subject to site administrative approval before being placed. The Learning Center provides a self-paced, Individualized Learning Program, which is based on student goals and unique needs. The Learning Center utilizes the E-2020 online learning platform for coursework for students. There are three (3) avenues through which a student can pursue a high school diploma, Recovery, Independent Study, and Acceleration:

Independent Study is for students who desire the flexibility of an alternative from the traditional high school program. Independent study students are afforded an opportunity to set a schedule for when they attend the Learning Center and when they work independently from home.

Acceleration allows highly motivated and disciplined students the opportunity to take a more rigorous course of study or move more quickly to achieve their academic goals. This can be achieved through a blended schedule in the Learning Center, on-campus, or through Independent Study.

Credit Recovery provides students an opportunity to create a blended schedule with courses in the Learning Center and on-campus to recover credits through oversight of qualified teachers. Students can take the online courses during the regularly scheduled school day (1st – 6th period) or during zero (0), seventh (7th), ninth (9th), or tenth (10th) periods.

To gain entry into any of these programs, you must see your counselor for more details and to determine the best course of action. Services to students are provided through the student’s counselor or the Counselor of the Day if their counselor is not available.

College & Career Center
The Career Center is a campus resource that all students are encouraged to stop by and use throughout their high school years. Career exploration is recommended as preparation for education and work beyond high school. They are encouraged to learn about many occupations so they can make informed decisions about course choices while at OGHS.

Location and Hours
The Center is located in The Learning Center. The College & Career Technician’s hours are Monday through Friday, 7:45 AM – 3:30 PM and will be available to students during break, lunch and after school (Hours and availability may vary but will be posted on the door).

Work Permits may be obtained and dropped off during break, lunch or after school. Students as young as 14 years of age may obtain a work permit. California law requires a Work Permit for employed students under 18 years old. Students must maintain a 2.0 GPA, good attendance, and positive behavior, or they may have their permit revoked.

Computers are available to type resumes, search the Internet, or access career programs. These programs allow students to evaluate their own interests and abilities and explore the extensive up-to-date information on hundreds of occupations, information about public and private colleges, including programs of study, admission requirements, scholarships, financial aid costs and more.

Career Seminars
Special speakers visit OGHS throughout the year to discuss a variety of careers. Students should watch for fliers advertising the seminars and pay attention to the daily Student Bulletin announcements. Not only do the speakers share their experience and advice with students, but many times they can become part of an interested student’s network and the key to career exploration.

Any school personnel acting in a career counseling or course selection capacity to any pupil shall affirmatively explore with the pupil the possibility of careers, or courses leading to careers, that are non-traditional for that pupil’s sex. The parents or legal guardian of the pupil shall be notified in a general manner at least once in the manner prescribed by Section 48980, in advance of career counseling and course selection commencing with course selection for grade 7 so that they may participate in the counseling sessions and decisions.

This program has been specifically designed to help students get ready by making that critical link between the classroom and the workplace. They see first-hand the wide range of knowledge and skills required while on the job.

DAILY BULLETIN
The DAILY BULLETIN is emailed to each teacher to be read during second block each day. A copy of the BULLETIN can also be found on the bulletin board outside the Counseling Center and in the Marquee near the Library. Students should make it a practice to find out what is in the BULLETIN. Sometimes it is the only source of information on testing, school activities and scheduled evening events for the student's family. Specific activities will be announced during tutorial from the bulletin each day.

LOST AND FOUND
Do not bring valuable items to school. Lost and found PE clothes/equipment is to be returned to the PE department. The librarian and Cashier will keep lost and found items only through the end of each grading period before they will be donated to charity. Announcements will be placed in the bulletin prior to taking the items to charity. Please pay close attention to the bulletin announcements. Valuable items that must be turned into the Cashier include:
- Cell phones
- Keys
- Jewelry
- Wallets
- Money
- Glasses
- Chargers
- Other technology items

All other lost and found items go to the library, such as:
- Clothing
- Books
- ID Cards

All items must be retrieved before the end of the school year. If they are not collected or claimed by the end of the school year, they will be discarded, donated, or recycled. If you have lost something, please check and continue to check in with the librarian or cashier to claim your lost items.

SECURITY OF PERSONAL BELONGINGS
Be advised:
- Do not store valuable items in your street or gym locker.
- Orange Glen High School will not be held responsible for the loss of items or to investigate contraband items reported as lost.
- Do not leave items in your locker overnight, over weekends or during vacations. Lockers/bike racks/skateboard are for day use only.
- Bicycles, skateboards, skates or “razor scooters” are not allowed on campus and must be secured in designated storage areas.
- Students must provide their own locks and remove them from the bike racks and skateboard racks daily.

VOTER REGISTRATION
The Student Voter Registration Act of 2003 ( Elections Code sections 2145-2148) was implemented to ensure every school in California does all in its power to provide a meaningful opportunity to eligible high school students to register to vote. Visit the Assistant Principal office for more details or call (760) 291-5026.
The library is a great place to read, do homework, work on projects, and get tutoring. Please don’t hesitate to ask one of our staff members for assistance.

ID CARDS

- Students should show their current ID card when checking out items from the Library. Lost ID cards and ID cards for new students are issued in the library. The replacement cost for a lost ID card is $5.00 and is to be paid to the cashier.

CHECKING OUT INSTRUCTIONAL MATERIALS

- Students may check out up to three (3) library books at a time. Checkout period is 3 weeks. At the end of the three weeks, students may renew the book for an additional 3 weeks.
- Students are responsible for examining all items issued to them, checking for any damage that is NOT stamped “Damage Noted.” If the student finds damage that has not been stamped, they have two weeks, from date of issue, to report it to library staff. If it is not reported within the two-week grace period, we will assume that the damage was done while the item was issued to the student and a fine will be assessed.
- Students are responsible for the proper care of all items checked out to them including items left in classrooms, on campus or other various places, stolen, damaged or lost.

RETURNING INSTRUCTIONAL MATERIALS

- Each student or their parent/legal guardian is responsible for items not returned by the student.
- Students shall return all items issued to them at the time they leave the school, drop/change a class or at the end of the school year, whichever one occurs first. For one-semester courses, items are due back on or before the last day of the semester. Class novels should be returned as soon as the class has finished the book. A $5.00 late fine will be assessed for each item not returned by the due date.
- If a student leaves the current school to attend another school, they MUST return all items on or before the last day at their current school before an official transcript will be released.
- Students are responsible for the exact item(s) issued to them (each item has its own unique barcode number). If a student returns an item with a barcode different from the one that was issued to them, they will still be responsible for the original item.
- Students will be held responsible for erasing any pencil markings in the book and removing all post-it notes prior to returning the book.
REFUNDS

- If a lost item is paid for, then found (in the same condition as when it was issued), a refund will be issued. Please allow 4-6 weeks to receive your refund by mail.

EUHSD FINES

Fines will be assessed in accordance with BP 6161.2 and AR 5125.2 of the Escondido Union High School District and California State Educational Code Section 48904. Unresolved debts will be attached to the student’s permanent record and the district may withhold grades, diploma, transcripts from the student and parent/guardian until reparation is made. Fine amounts for damage to instructional materials varies depending on the type and severity of the damage. Fines range from $5.00 up to the full replacement cost of the item. All Instructional Material replacements must be ordered through the library.

Revised 6/9/22
STUDENT CODE OF CONDUCT

SCHOOL RULES & REGULATIONS

All students at Orange Glen High School are expected to act appropriately and respectfully at all times and to all students and staff with whom they interact. As part of our responsibility to provide students with clear expectations and instruction regarding expected behaviors, Orange Glen is working toward a positive and inclusive culture for all students. Students who are unable to abide by the Student Code of Conduct are subject to consequences. The following sections will describe these expectations and consequences.

SAFETY AND SECURITY

Searches and Seizures [CA Ed Code and Board Policy 5145.12]
The law provides school officials with wide latitude to search students, their possessions, and automobiles, in the ongoing effort to maintain a safe and secure campus. When a school official has a “reasonable suspicion” that a student may be in possession of contraband or dangerous objects, the student will be asked to empty all pockets and provide the official access to other personal items (backpacks, lockers, cars) which may contain contraband or dangerous objects. Whenever possible, metal detectors are used when searching an individual for weapons. It is expected that all students will be cooperative, and the school official will make every attempt to be unobtrusive and respectful of privacy. Students should be aware that a ground for suspicion commonly includes being “out-of-bounds” without permission or a report by another student, parent or staff member of possession of contraband or dangerous objects. Students should also be aware that any contraband or dangerous objects found in their possession would be assumed to belong to them.

If a student should discover contraband or dangerous objects on campus, he or she should go directly to an Assistant Principal or other staff member and turn it over without delay. Parents are notified by phone if/when their student is searched.

Use of Trained Dogs [Board Policy 5145.12(b)]
In order to provide a safe school environment, the Escondido Union High School District has approved the use of trained dogs which are used to detect the presence of substances prohibited by law or district policy and gunpowder-related weapons. Dogs may be brought onto campus without notification to students and parents.

Use of Metal Detectors [Board Policy 5145(a)]
Where possible, staff will use a metal detector in searching a student for weapons. The Board finds that the growing presence of weapons in the schools threatens the district’s ability to provide a safe and orderly learning environment. Metal detector searches may be conducted in a random fashion that excludes individual discretion regarding who will be searched.

Gang & Gang-Like Behavior
The Escondido Union High School District desires to keep district schools and students free from the threats or harmful influence of any groups or gangs that advocate disruptive behavior. A “gang,” as defined in this policy is “any group of persons who use illegal acts, willful disobedience and/or the disruption of school activities.” Any attire that is worn in such a way as to identify students with a “gang,” or distracts from the educational process, is not allowed. Any attire or accessory such as bandannas, do-rags, or hairnets is prohibited attire if the school administration believes the attire or accessory is worn as a display of gang association, affiliation, or sympathy. The school district and the site administration by this notice reserves the right to contact the Escondido Police or other local law enforcement agencies to determine what is considered to be gang attire or a display of affiliation, association or sympathy. Any such object so identified by the law enforcement agency will immediately become prohibited on any district campus or at any school activity until such time as the district is noticed otherwise by this same agency.
POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

When we are at Orange Glen, we show everyone our Patriot PRIDE! When students attend Orange Glen High School, we expect them to adhere to the overall expectations, which are designed to guide students into living healthy and productive adult lives. The expectations are universal across the school campus, which includes classrooms, bathrooms, common areas, the gym, the blacktop, and any open areas.

SCHOOL-WIDE BEHAVIOR EXPECTATIONS
As is stated in our Mission Statement, Orange Glen students will develop:

**Personal Responsibility in Developing Excellence (PRIDE)**

This commitment to excellence and ownership toward achieving their highest potential, it is evident in how they demonstrate the following PRIDE behavior expectations. Students should come to school and class prepared to learn, demonstrate respect toward students, staff, and oneself, have integrity of character, be dedicated to accomplishment, and exemplify excellence.

*School social worker may provide resources for outside counseling, therapy, or peer groups. Please contact her for more information about community resources.

**These services are offered through the district office. They may be mandatory for students who become suspended for various reasons.

DISCIPLINARY INTERVENTIONS
Our goal at Orange Glen is to help students learn how to be respectful and responsible students, citizens, and members of the community. We will guide students in making good choices through instruction, restorative practices, and remediation. Sometimes students need to learn through disciplinary consequences; therefore, listed below are various consequences that support decision-making.

After School Teacher Meeting
Teachers may assign an individual after school detention to a student at their own discretion. When assigned, student is to report to the teacher’s room after school. Students who need to change the date of their assignment must present valid written reason to the Teacher assigning ASD. This is entirely the responsibility of the student. Failure to attend ASD may result in further disciplinary action, such as additional ASD, period in-school suspension, community service, or suspension from school.

Behavior Contract
Any infraction of the Student Handbook can result in a student being placed on a Behavior Contract for as long as he/she is a student at OGHS. Students failing to serve their After-School Detentions and/or Saturday Schools may be placed on an Attendance Contract, which is signed by the student, parent and administrator.

Peer Mediation
When students have a direct conflict that interferes with their ability to concentrate in class, we may conduct a peer mediation with the students to try to resolve the conflict in order that all parties involved can regain their concentration in class. If this mediation does not improve the behavior within the conflict, then further measures may be utilized, such as schedule changes, parent meetings, or other forms of discipline.
Reflection Sheet
Students who reflect on their experiences are most likely to improve their future behaviors in accordance with the school-wide behavior expectations. When students are sent to the office for a referral, they are required to complete a reflection survey regarding the incident and ways to improve their behavior when they return to class or have a similar situation.

Safe Schools Contract
- **Level I:** Students who disrupt school activities and/or take away from the educational process may be placed on a Safe Schools Contract, Level I. This contract is comprehensive and will stay in the student’s discipline file for all four years.
- **Level II:** The second occurrence of a violation of school rules that disrupts school activities and/or takes away from the educational process will result in issuance of a Safe Schools Contract, Level II. Administrators may issue additional disciplinary action at this time.

CLASSROOM CORRECTIVE ACTIONS FOR DISRUPTIVE BEHAVIOR
It is best for students to remain in their classrooms during all instructional periods and time; however, there are times when a student needs to be removed from the classroom for misbehavior or safety concerns. Teachers will make various efforts to engage the students to correct their own behavior and comply with teacher requests; however, if they are unable to do so, teacher may have student removed from the classroom to speak with an Assistant Principal. Below is a list progressive discipline chart.

SCHOOL JURISDICTION OVER STUDENT CONDUCT

A pupil may be suspended or expelled for acts that are enumerated in EC 48900(a)-(s) and EC 48915(a) and (c) and related to school activity or attendance that occur at any time, including, but not limited to, any of the following. Vehicles parked on school property or at school activities are considered within the jurisdiction of school officials for purposes of search and seizure with reasonable cause.

The principal shall recommend suspension or expulsion of a pupil that he or she determines had committed any of the 48900 or 48915 code violations in any of the following locations:

- Anywhere on school property or campus grounds before, during, or after school,
- During transport to and from school, which includes off campus locations (e.g. park, street), or
- At a school activity off school grounds.

SUSPENSION AND EXPULSION PROCEDURES

For serious disciplinary infractions, students may be suspended from school. Such home suspension means the student must remain at home during school hours and may not attend any school-sponsored activities such as sporting events, dances, or plays, for a maximum of five days at any one time.

Definition

A suspension is a temporary removal from school or regular classroom by the principal for violation of school rules.

- A student may not be suspended for more than five (5) days at a time nor for more than twenty (20) days in a school year, unless the Superintendent or Superintendent Designee extends the suspension.
- A teacher may allow a suspended student to complete all work and tests missed during the suspension. When the makeup work is completed, it will be graded. If it is satisfactory, the student will receive full credit.

Class Suspension

A teacher may suspend any student from the teacher’s class for the day of the suspension and the day following. (Education Code 48910)

School Day Suspension

A superintendent, principal, or principal’s designee (i.e. Assistant Principal) may suspend a student from a school for not more than five (5) consecutive school days unless the suspension is extended pending expulsion. (Education Code 48911)

Suspension may be imposed upon a first offense if the superintendent, principal or designee determines that the student violated items (a) - (e) listed in the “Grounds for Suspension and Expulsion” or for any other offense listed under “Grounds for Suspension and Expulsion if the student’s presence causes a danger to persons or property or other means of correction are not feasible or have failed to bring about proper conduct.

A student may be suspended from school for not more than twenty (20) school days in any school year, unless for purposes of adjustment, a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class, in which case suspension shall not exceed 30 days in any school year. However, this restriction on the number of days of suspension does not apply when the suspension is extended pending an expulsion. (Ed. Code 48903, 48912)
Suspension Procedure
Except for emergency circumstances, the principal or designees appointed by the principal shall meet with a student prior to suspension to:

- Present oral or written notice of the charges against the student;
- Explain the evidence;
- Give the student a chance to present the student's side of the story.
- If it is decided the student has violated school rules, the student may be suspended for no more than 5 consecutive school days.

Parent Conference for Student Suspension
When a student is suspended, a school employee will try to contact the parent or guardian in order to explain what has happened. No student will be sent home during the day without the parent or guardian being advised. Within one school day of the beginning of the suspension, the parent or guardian will be sent a notice with the following information:

- A statement of the facts leading to the decision to suspend.
- The date and time when the student will be allowed to return to school.
- A statement that the pupil or parent has the right to request a meeting with the Superintendent or the Superintendent's designee.
- A statement of the right of the parent or the student to have a chance to see the student's record.
- A request that the parent or guardian attend a conference to discuss the student's behavior.
- A statement informing the student to remain away from school and school-sponsored activities during the period of suspension unless given written authorization by the principal to be present.

Suspension Right to Appeal
The parent may first appeal the suspension of their child to the school principal. If the student or parent wants a further review of the case, a meeting with the Superintendent designee will be scheduled. The Superintendent or designee will review the evidence, listen to the student or parent, and decide if there is sufficient evidence to determine that the violation occurred and whether an appropriate penalty was imposed.

Expulsion
An expulsion means that the student is removed from the Escondido Union High School District and any other public-school district and must receive education in another school setting provided by the county office of education. Only the Board of Education may expel a student.

The student possesses rights to be represented by counsel, obtain copies of all documents to be used at the hearing, question witnesses, and present evidence on his or her own behalf. The Administrative Panel will make a finding of fact and recommendation to the Board of Education on whether to expel the student or not based on the evidence.

A student found possessing, selling or otherwise furnishing a firearm or; brandishing a knife as defined pursuant to Education Code Section 48915 (g) or; selling a controlled substance while at school or at a school activity, committing or attempting to commit a sexual assault or a sexual battery, possessing an explosive shall be immediately suspended and recommended for expulsion. (Education Code 48915, 48915.7)
SUSPENDABLE AND EXPPELLABLE OFFENSES: EDUCATION CODE, SECTION 48900(a-r) and 48915

For 48900(a) to 48900(e), students may be suspended on a first-time offense; however, for 48900(f) to 48900(r), students will be provided with an instructional intervention prior to suspension.

**EDUCATION CODE 48900.2: SEXUAL HARASSMENT**

In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5.

For the purpose of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual’s academic performance or to create an intimidating, hostile, or offensive education environment. This section shall not apply to pupils enrolled in kindergarten and grades 1 to 3, inclusive. (Add. Stats. 1992, Ch. 909).

Students need to know and understand the importance of limits and boundaries within relationships. Teenagers often engage in personal relationships in high school that are different than they have experienced before. They may develop feelings of attraction toward other people or desire to spend time with new people. In order to stay safe, students must understand the difference between flirting and sexual harassment. Sexual harassment is based upon the impact on the victim. It is not based on the intentions of the perpetrator.

**Definition of Sexual Harassment**

Any unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature. This is defined as uninvited behavior that makes being in school offensive, negative, unfriendly or intimidating and leads to a hostile environment that makes learning difficult.

**Conditions:**

- Submission to the conduct is explicitly or implicitly made a term or a condition of an individual’s employment, academic status, progress, or promotion.
- Submission to, or rejection of, the conduct by the individual is used as the basis for employment or academic decisions affecting the individual.
- The conduct has the effect of having a negative impact upon the individual’s work or academic performance or of creating an intimidating, hostile, or offensive work or educational environment.
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the
What You Should Do If You Feel Sexually Harassed

- **ASSERT YOURSELF:** Tell the harasser to stop the behavior. Tell him or her aloud or in writing what behaviors you find offensive.
- **CALL FOR HELP:** Ask for the help of someone you trust - your friends, parents or a person in authority. Tell them of your problem. Enlist friends as witnesses.
- **TAKE NOTES:** Keep a detailed, written record of what was said and done to share with the person who investigates your complaint.
- **INFORM AUTHORITIES:** Report the offensive behaviors to a teacher, counselor or principal. Give details and provide witnesses. This action may stop the behavior.
- **OPEN A CASE:** File a complaint against the person who is harassing you. (See uniform complaint policy).
- **NEVER GIVE IN:** If you are not satisfied with the results of your complaint, continue to take action and get help.

**EDUCATION CODE 48900.4: HARASSMENT, THREATS, OR INTIMIDATION**

In addition to the grounds specified in Sections 48900 and 48900.2, a pupil enrolled in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation, directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting class-work, creating an intimidating or hostile educational environment.

A pupil may not be suspended or expelled for any of the acts enumerated unless that act is related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent or principal or occurring within any other school district. A pupil may be suspended or expelled for acts that are enumerated in this section and related to school activity or expelled for acts which are enumerated in this section and related to school activity or attendance that occur at any time, including, but not limited to, any of the following:

(1) While on school grounds.
(2) While going to or coming from school.
(3) During lunch period whether on or off the campus.
(4) During, or while going to or coming from, a school sponsored activity.

It is the intent of the Legislature that alternatives to suspensions or expulsion be imposed against any pupil who is truant, tardy, or otherwise absent from school activities.

**BULLYING**

**Education Code EC48900(r)**

School officials may expel or suspend any student who has been found to have engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined in subdivisions (f) and (g) of Section 32261, directed specifically toward pupil or school personnel.

**Assembly Bill No. 86, Chapter 646, Education Code 32261**

Approved by Governor September 30, 2008 and filed with Secretary of State September 30, 2008.

This bill specifies that bullying, as used in these provisions, means one or more acts by a pupil or a group of pupils directed against another pupil that constitutes sexual harassment, hate violence, or severe or pervasive intentional harassment, threats, or intimidation that is disruptive, causes disorder, and invades the rights of others by creating an intimidating or hostile educational environment and includes acts that are committed personally or by means of an electronic act, as defined.
This bill, in addition, gives school officials grounds to suspend a pupil or recommend a pupil for expulsion for bullying, including, but not limited to, bullying by electronic act.

The Legislature hereby recognizes that all pupils enrolled in the state public schools have the inalienable right to attend classes on school campuses that are safe, secure, and peaceful. The Legislature also recognizes that pupils cannot fully benefit from an educational program unless they attend school on a regular basis. In addition, the Legislature further recognizes that school crime, vandalism, truancy, and excessive absenteeism are significant problems on far too many school campuses in the state.

The Legislature hereby finds and declares that the establishment of an interagency coordination system is the most efficient and long-lasting means of resolving school and community problems of truancy and crime, including vandalism, drug and alcohol abuse, gang membership, gang violence, and hate crimes.

It is the intent of the Legislature in enacting this chapter to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses, and that address the safety concerns of local law enforcement agencies, community leaders, parents, pupils, teachers, administration, school police, and other school employees interested in the prevention of school crime and violence.

It is the intent of the Legislature in enacting this chapter to encourage school districts, county offices of education, law enforcement agencies, and agencies serving youth to develop and implement interagency strategies, in-service training programs, and activities that will improve school attendance and reduce school crime and violence, including vandalism, drug and alcohol abuse, gang membership, gang violence, hate crimes, bullying, including bullying committed personally or by means of an electronic act, teen relationship violence, and discrimination and harassment, including, but not limited to, sexual harassment.

As used in this chapter, “bullying” means one or more acts by a pupil or group of pupils as defined in Section 48900.2, 48900.3, or 48900.4. As used in this chapter, an “electronic act” means the transmission of a communication, including, but not limited to, a message, text, sound, or image by means of an electronic device, including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer, or other electronic device.

OTHER STANDARDS OF BEHAVIOR

Smoking or Use of Tobacco Products on Campus
State law prohibits the smoking, possession or use of tobacco, or any product containing tobacco, including e-cigarettes, by students or adults while on campus or while attending school sponsored activities.

- This includes before and after school and is prohibited in the parking lot, in or out of cars, outside school entrances and areas adjacent to and around school property. This applies to both students and adults and includes e-cigarettes.
- Chewing tobacco is not permitted on campus. Students using or in possession of tobacco products on campus will be subject to disciplinary action and will be required to attend mandatory tobacco education on Saturdays.
GROUP III VIOLATIONS (48900 k): POSSIBLE SUSPENSION

Students who engage in these activities will be reprimanded, provided interventions, and may be suspended on a first offense. For a subsequent offense, students will be suspended and may be recommended for expulsion.

**Tips for Success in High School**

**Make sure academics are your priority**
High school is a fun, scary and exciting place, all at the same time. Make sure to remind yourself that school is a place for you to grow and learn. There will be a lot of distractions, but you must continue to do your homework and projects on time. Make sure you find time to study by yourself and with friends. This way you will have folks around you that you can learn from. Set up a space at home that is free of distraction (including TV, phone, computer games), you will visit consistently, and that helps you focus on accomplishing your school work.

2. **Procrastination = Stress**
Try your best to stay organized and on top of your assignments. That way, you won’t have to rush to do assignments. Schedule certain times when you want to work on your assignments throughout the week. Doing things last minute can cause a whole lot of unnecessary stress, which as a high school student, you don’t need.

3. **Get to know your teachers and ask for help**
When your teacher asks for volunteers, make sure you raise your hand. This is how you get participation points and they will see you as a decent student. When you don’t understand something, it’s ok to ask your teacher for help after school or during passing period. Simply talking to your teacher will help them to get to know you. When they get to know you, they can write you letters of recommendation, and be more willing to mentor you and help you throughout your years in high school.

4. **Don’t spread yourself thin**
When getting involved in clubs and taking honors or advanced classes, know what you can handle. Give yourself a reasonable course load.

5. **Get involved**
Join clubs, student unions, sports, leadership or an academy. These groups are ways for you to make friends, feel connected to your school community, and learn about yourself. Joining clubs, student unions or leadership will also allow you to have a say in your environment.

6. **Use resources on campus**
Take advantage of your career center, find out about scholarships, tutoring for certain subjects, free SAT tutoring sessions, TRIO programs such as upward bound and education guidance. These programs can provide you with opportunities like internships, college visits and informational interviews.

7. **Make friends**
The great thing about high school is that you can meet new people as well as grow relationships you have had since elementary school. Your friends are great when you need to vent, need help with a problem, and can give great advice; and you would do the same for them. Some folks in high school are still finding themselves, just like you, but some may not always have your best interest at heart. You can have as many acquaintances as you’d like, or people you are cordial with, but choose your friend group wisely.

8. **Apply for scholarships**
Apply for scholarships throughout your high school career. There are scholarships available for seniors as well as freshmen. Scholarships not only get you money; they also enable you to gain a network of folks that care about your education and are willing to help you throughout your career.

9. **Relax and find time to unwind**
Take time to hang out with your friends. Create good memories and enjoy your youth.

PARENT AND FAMILY ENGAGEMENT POLICY

I. Parent Involvement

To involve parents and family members in the Title I program at Escondido Union High School District, the following practices are established:
