EUHSD TO HOST COLLEGE AND CAREER FAIR FOR COMMUNITY

Escondido, CA – The Escondido Union High School District is hosting a College and Career Fair on Monday, October 17, 5-7 p.m. at San Pasqual High School. It will be free and open to all high school students and the community. More than 70 colleges, apprenticeship program representatives, and military branches will be present and available to share information.

Informational stations on financial aid, California State University and University of California requirements, and Career Technical Education (CTE) programs will be available. The fair will also offer opportunity drawings for those in attendance and food will be available for purchase.

“Every day we work to prepare students in our district for college, career, and life,” said Director of College and Career Readiness Mia Funk. “This fair provides an excellent opportunity for students to be exposed to many of the options available to them post high school.”

The fair is open to the community, regardless of which high school students attend. For more information visit www.euhsd.org.
